### Memo from Part Time Concerns Team

Warren Randall/Admin

The Part-Time Concerns team is asking part-timers to participate in a survey to quantify issues facing part-time faculty. It is being sent to the home addresses of UUP members and Agency Fee payers alike, to assure delivery. A number of the questions deal with areas where the basic data cannot be obtained, so we must ask you. In addition, this is a chance for everyone to be identify a particular issue or issues which he or she confronts often enough to be "a problem." Be heard! A postage-reply envelope is provided to make sure your response gets to the right place.

As your Chapter representatives at SBU we need data so that we can address the issues and make your voices heard. We know there are many unique issues facing you simply because of your status as a part-timer. Please share them with us. Remember, we are not just trying to reach you; we are trying to reach *out* to you!

We are putting together a questionnaire for the Professional staff to accomplish the same purpose.
