Joint Treaty of Peace

Between

The People of the United States,
South Vietnam and North Vietnam

Be it known that the American and Vietnamese people are not enemies. The war is carried out in the names of the people of the United States and South Vietnam but without our consent. It destroys the land and people of Vietnam. It drains America of its resources, its youth and its honor.

We hereby agree to end the war on the following terms, so that both peoples can live under the joy of independence and can devote themselves to building a society based on human equality and respect for the earth. In rejecting the war we also reject all forms of racism and discrimination against people based on color, class, sex, national origin and ethnic grouping which form the bases of the war policies present and past of the United States.

1. The Americans agree to immediate and total withdrawal from Vietnam, and publicly to set the date by which all U.S. military forces will be removed.
2. The Vietnamese pledge that as soon as the U.S. government publicly sets a date for total withdrawal: They will enter discussions to secure the release of all American prisoners, including pilots captured while bombing North Vietnam.
3. There will be an immediate cease-fire between U.S. forces and those led by the Provisional Revolutionary Government of South Vietnam.
4. They will enter discussions on the procedures to guarantee the safety of all withdrawing troops.
5. The Americans pledge to end the imposition of Thieu-Ky-Khiem on the people of South Vietnam in order to insure their right to self-determination and so that all political prisoners can be released.
6. The Vietnamese pledge to form a provisional coalition government to organize democratic elections. All parties agree to respect the results of elections in which all South Vietnamese can participate freely without the presence of any foreign troops.
7. The South Vietnamese pledge to enter discussion of procedures to guarantee the safety and political freedom of those South Vietnamese who have collaborated with the U.S. or with the U.S. supported regime.
8. The Americans and Vietnamese agree to respect the independence, peace and neutrality of Laos and Cambodia in accord with the 1954 and 1962 Geneva conventions and not to interfere in the internal affairs of these two countries.
9. Upon these points of agreement, we pledge to end the war and resolve all other questions in the spirit of self-determination and mutual respect for the independence and political freedom of the people of Vietnam and the United States.

By ratifying this agreement, we pledge to take whatever actions are appropriate to implement the terms of this joint treaty and to insure its acceptance by the government of the United States.

Resolution # 10

Introduced by Donn Latt

Be it resolved by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego to:

Provide for the seating of faculty representatives on the Student Association Senate.

Whereas: We feel that the campus should be viewed as a community rather than its component parts, and,

Whereas: We feel that many of the problems on this campus stem from distrust and poor communication between the government of the student body and the government of the faculty, and,

Whereas: The Student Association has four representatives on the Faculty Assembly and the faculty has no representation on the Senate,

Be it therefore resolved by the Senate of the Student Association of the State University College of Arts and Sciences at Oswego,

That: The faculty from this time forth shall have one seat on the Senate of the Student Association for every 200 faculty members or part thereof, and be it further resolved,

STUDENT ASSOCIATION - SENATE

Introduced by Chris Pelkey

Be it resolved by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

Whereas: Attendance at graduation ceremonies at Oswego is now a requirement for graduation (page 43 of the College Bulletin,) and

Whereas: Graduation ceremonies present a financial hardship to many students, and

Whereas: Graduation should be considered a privilege and not a responsibility, and

Whereas: The student has earned this privilege himself,

Therefore: Be it resolved by the Student Association Senate that the wording in the College Bulletin (page 43) be changed to read:

"Requirements for Graduation" #7, be omitted and a new heading "Graduation Ceremonies" be included which will read as follows:

"Attendance at graduation ceremonies is a privilege which a student at the State University College of Oswego has earned. He, therefore, has the choice of either attending or not attending this ceremony. There will be no sanctions of any kind placed upon those students who do not attend.

Realizing the expense involved in renting a cap and gown, a student shall also have the choice of whether or not he or she wishes to attend the ceremonies in the traditional cap and gown.
