Bill 66

Be it enacted by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

That no additional bills or resolutions be amended to the agenda. All bills and resolutions must be presented in writing to the secretary no later than 4:00 P.M., the day previous to the Senate Meeting. If an emergency occurs, this will be waived with 2/3rds of the members of Senators present.

Rational: This would hopefully eliminate the confusion and misunderstandings that arises concerning the wording of bills. This would give time for the senators (at least a full day) to read and study the upcoming bills and to complete any necessary research.
