Bill 108

Be it enacted by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

The Science Fiction Play - "Night Fall" by Issac Assimov be sponsored and funded by the Senate Program Fund in the amount of \$665.00. The Expenditures are itemized below:

Seenery	\$350.00
Props	25.00
Costumes	25.00
Tickets, Posters, Publicity	200.00
Make-up	25.00
Scripts	5.00
Color Media	30.00
Sound	5.00

The date of performance is May 12, 1972 and May 13, 1972 in the Waterman Theater. Open to the College Community. Chairman of the event is David J. Askew - 592-4074.

Justifications:

Non-musical sciences fiction plays have been rarely presented anywhere in this country and never on the SUCO campus. There is currently tremendous interest in science fiction. We feel that this production would allow students to explore the medium of science fiction theater from all aspects, from the adapting of the book for stage to all production aspects. This play would also allow SUCO students to see a new type of theatrical presentation for a fairly low price. The experimental nature of this production would be of tremendous publicity value to the SUCO Student Association.
