(as revised on April 8, 1974)

ARTICLE I
Section I

All legislative power herein granted shall be vested in the Senate of the Student Association.

Section II

1. The Senate shall be composed of members chosen annually by the living center or centers. (The term living center shall be defined in the By-Laws of this constitution.)

2. All Senators shall be regularly enrolled students of the State University of New York College at Oswego with an accumulative grade point index of at least the college minimum for good academic standing, and each shall at the time of his election be a member of that living center and shall remain a member of that living center for the duration of his office.

3. Senators shall be apportioned among the several living centers within the college according to the respective numbers in the living centers. The enumeration shall be made 30-60 days prior to the All-Campus Election on the basis of estimated membership in each living center for the coming semester.

The Senate shall determine the number of Senators to be chosen by each living center or group of living centers. The number of Senators shall never exceed 66 nor be less than 33. No living center shall be denied representation.

4. When vacancies occur in the Senate by resignation or otherwise, they shall be immediately filled by Writs of Election issued by the Executive Authorities of the living center or centers, affected, and eventually filled by special election conducted among the residents of such living centers.

5. The Vice-President of the Student Association shall be the President of the Senate, but shall have a vote only in the event of a tie.

6. The Senate shall choose its other officers, and also a president pro tempore, in the absence of the Vice-President, or when he shall exercise the office of President of the Student Association.

7. The Senate shall have the sole power of impeachment and trial of impeachments. In all cases of impeachment the Chief Justice of the Supreme Court shall preside, except in the case of his own impeachment in which case the Vice-President of the Student Association shall preside. No person shall be convicted without the occurrence of 2/3 of the members present.

8. Judgment on cases of impeachment shall not extend further then to removal from office, and disqualification to hold and enjoy any office of honor or trust in the Student Association.

Section III

1. Senators may be elected at an open election of the members of their living center or living centers group.

2. The Senate shall assemble at least once every full
academic week during the college year, except during the weeks of final examinations and the first week of the fall semester.
3. All senators shall be elected at the time of the All-Campus Elections.

Section IV

1. The recourse to recall a Senator shall be in the hands of the constituencies from which the Senator is elected; to be conducted in the following manner:
   a. Senators from Dormitories: 20% of the dorm population must petition for Senator recall. This would require a referendum to be held, and, if 2/3 of those voting are in favor of recall, the Senator will be removed from office.
   b. Commuter Senators: 20% of the commuter population who voted in the last election must petition for senator recall. This would require a referendum to be held, and, if 2/3 of those voting are in favor of recall, the senator will be removed from office.

2. The Senate may determine the rules of its proceedings, discipline its members for disorderly behavior, and with the concurrence of 2/3's of the total Senate, expel a member.

3. The Senate shall keep a journal of its proceedings, and from time to time publish the same, and the yeas and nays of the Senate on any question shall, at the desire of 1/5 of those present, be entered in the journal.

Section V

Section VI

Every bill which shall have passed the Senate, before it becomes law, shall be presented to the President of the Student Association. If he approves it he shall sign it; but if he returns it with his objections to the Senate, they shall enter the objections in the Journal and proceed to reconsider it. If after such reconsideration 2/3's of the total Senate agrees to pass the bill it shall become law. But in all cases the vote of the Senate shall be determined by yeas, nays, and the names of the persons voting for and against the bill shall be entered in the Journal. If any bill is not returned by the President within 10 regular class days after it has been presented to him, the same shall be law, in like manner as if he had signed it, unless the Senate by its adjournment prevents a return in the form of a vote, in which case it shall not be law.
Section VII

2. To Assess a Student Association tax (This tax shall be uniform throughout the Student Association);

2. The Senate may, by 2/3's vote of the total membership, submit any bill to the Student Association who shall accept or reject it; and if accepted said bill shall have the same standing as any bill passed by the Senate and signed by the Student Association President.

Article II

1974 LEGISLATIVE ACTION REQUEST

With this message, I am calling on the Senate to enact several far-reaching proposals which I feel are crucial to the maintenance and improvement of the Student Association and the academic climate here at Oswego. In the past, it can be argued, S.A. has concerned itself to an absurd degree with the present. The present condition of the Association is, of course, critical and will never be ignored. But the real crux of providing students with something meaningful lies in providing them with long range goals, long term services, and far-reaching thought. It is this idea that prompts a large portion of this request.

It has been my long standing feeling that a safely neglected portion of concern to the student body is academic affairs and its related areas. This message reflects this also.

Then, too, there exists a need for revitalization and reform of stagnating conditions within our student government and without.
May I, then, take this opportunity to urge swift, yet thorough, consideration by the Senate of these proposals. They are the products of a great deal of thought on the part of many people.

I, therefore, formally submit to the Student Association Senate the 1974 Legislative Action Request.

September 10, 1974

Gregory A. Gates
Student Association President
September 10, 1974

I. CONSTITUTIONAL CONVENTION

I urge the Senate to assist me in reforming our present document. I feel the vehicle most proper to deal with this is the empanelment of a constitutional convention. Legislation to this end follows which is self-explanatory.

II. COMMITTEE ON CONSUMER AFFAIRS

I urge the Senate to create an ad-hoc committee on Consumer Affairs to assess the degree of need (if any) for organized consumer protection and information; to determine how these needs can best be met; and how it should be put into effect, what funding it will require, etc. My office is prepared to actively assist in any manner possible with these deliberations.

III. ADVISORY BOARD FOR HEALTH SERVICE DELIVERY

Within a few weeks, I will ask the Senate to give approval to a proposal for an advisory board to assist the Health Center in their delivery of Student Health Services.
IV. REQUESTS FOR FUNDING

Perhaps too much emphasis is placed on the Senate's "power arising solely out of the purse", and I certainly doubt that the Senate's might lies solely in the pocket book. However, certain things I would like to accomplish this year may require money or permission to expend monies not previously allocated. These include:

1) Legal aids pamphlet
2) Legal aids services arising out of the addition of third year law students
3) Others, which are included in specific requests

V. NATIONAL STUDENT GOVERNMENT DAY

October 24 is National Student Government Day. Mr. Miller and I are developing a program of activities for that day. Your assistance or contributions of ideas would be greatly appreciated.

VI. STUDENT REPS WITH ACADEMIC DEPARTMENTS

I am asking the Senate, especially the Student and Academic Affairs Committee to undertake a study of all departments to determine the amount of student input. Some departments, such as Political Science, have student members
with full voting powers, while others have none. I believe we should place high priority on seeking student input in all departments. This would be a prelude to my next request.

VII. COMMISSION ON EDUCATION DELIVERY

This is perhaps the most far-reaching request contained here. Together with faculty and administrators, we should begin to assess the educational needs of an ever-changing student body. The Commission would be empowered to make recommendations to the College President and to make its report available for general consumption. This serves to highlight the increasing ability of and need for students to offer insights into the educational process. It further highlights preparation for the University's 1976 Master Plan.

This, too, may require funding for which I would recommend full Senate support.

VIII. REVITALIZING DORM EMPHASIS

Under the direction of the Student Association Senate and Executive, I can foresee a renewal and rejuvenation
of dorm governments, Inter-Dormitory Council and other dorm functions.

I hope the Senate will act on these measures. As always, anything I can do to assist you will be attempted.

EXECUTIVE REPORTS

Sandy Miller, the President of the Senate, welcomed all the senators back, and expressed his disappointment in the weather here. While discussing the legislative session, he emphasized the fact that a senator's most important responsibility is to his/her constituency, and that he expects to receive feedback from the general population through the Senate. He then asked the senators to begin to set some goals for the Senate, as a legislative body, and to begin work on legislation as soon as possible. All bills must be submitted to the Senate Secretary by noon on the Monday before the Tuesday night meeting in order to be included in the packet. Each senator should keep all packets in order to give each piece of legislation due consideration before it comes up on the agenda, one week later.

Sandy then went over his committee structure for the Senate, expanding and explaining the written outline. He asked everyone to think about what committee they would like to work with, and to sign up in the Senate office before the next meeting.

Dr. Robert Rock welcomed everyone back to Oswego. In his short address to the Senate he expressed hope that many new changes would be made here at Oswego; such as a new SA constitution, and new college policies and guidelines would be formed. He also defined the terms, "Right public information", and "Public recordation".

Gregg Gates, the President of Student Association gave his basic State of the SA speech and discussed many things, past and future: Consumer guide, and why we have stopped distribution, a new ad hoc committee on consumer protection, OSPIRG, and its current status, Centro, Savac, and SASU. Ed Falco, Director of Finance, explained the way that funds will be appropriated from the Program Fund this year: The Finance Committee will prepare a sort of "mini budget" for the Program Fund, instead of the 1st come 1st serve policy from last year.
Peter Schillo, from Program Policy Board gave the upcoming schedule of events and explained the bad situation for waiting in movie lines will be corrected, he hopes.

Al Diamond, the Director of Legal Aids explained the new Campus Judicial System. Also, he outlined some changes in the Legal Aids program this year: We will keep records of all complaints, defenses- and cases to use for future reference. A new and better pamphlet will be published to explain the function of Legal Aids of SA. Larry Pidgeon, our lawyer, will be available on Tuesday nights, from 7 - 10 pm. Al is working now on getting help and counsel from 3rd year law students from SU. He asked all Senators to tell their constituencies about the Legal Aids Service.

There was a motion to adjourn and it passed with a hand vote. The meeting adjourned at 7:20 p.m.

MINUTES  
September 10, 1974

The meeting was called to order at 6:10 pm.

Senators not present were: Tom Barry, Ralph Beckmeier, Bernie Cummings, Herb Hammond (sub-Dave See).

After Sandy explained that Bills 7 and 8 should not be on the agenda, it was approved by a majority hand vote.

During discussion of the minutes, Mark Snyder moved to amend to strike his name from the absentee list, it carried and was so noted by the clerk. Then, the amended minutes were approved by a majority hand vote.

EXECUTIVE REPORTS  
Sandy Miller, President of the Senate.
- Sandy announced that Ralph Beckmeier, Herb Hammond, and "Scotty" Masser are the new faculty senators, and welcomed them to the Senate.
- He then asked that those senators who have not yet signed up for a committee decide during the meeting, so that they can meet with their committee later in the evening. (Rules and Constitutional/Judiciary are the only two committees with openings)
- Sandy introduced the chairpersons, (Joan Magooligan and Amy Seiden for Student-Academic Affairs), (Marie Brutvan for the Finance Committee), (Henry Bartlett for Rules), (Kurt Spears for Constit./Judic.), and (Dave Robinson for Election).
- Sandy asked that anyone interested in joining an ad hoc committee on the vending machines speak to Gregg, as he is the chairman of the committee.
- This year all SA organizations requesting funding from the Program Fund are required to submit a "mini" budget to SA by the 23 of September. Then, the Finance Committee will consider the entire budget. There will be some surplus left un-budgetted to account for any new organizations that appear within the semester, and also each allocation will have an expiration date, after which unspent monies will return to the Program Fund again.
- Please remember the Monday at noon deadline for legislation to be in the packet on Tuesday night of the same week.
- If anyone knows of any dorms that are running their own private Senatorial elections, please inform them that any election for Senate must be conducted through SA in order to be valid.
- Sandy brought up the matter of electing a representative for PPB according to Bill 86 of the 9th Leg. Ses. One person volunteered, and she was elected by a hand vote. Mary Francovilla is our Senate PPB rep.
- Due to a Religious holiday, Sandy announced that he couldn't make next week's meeting, and since it seemed inconvenient for everyone to change the meeting time, Marie Brutvan will assume his role at the meeting.

Gregg Gates, President of Student Association
- Gregg distributed his legislative action request, highlighting his suggestion for a Commission on Education Delivery.
- He also spent time giving the current picture in regards to OSPIRG. It seems as if things may have changed. Oswego's reps of PIRG seem to be disillusioned with NY PIRG also. PIRG has been trying to apply all kinds of pressure (like threat of a suit) to SA, and OSPIRG. OSPIRG and Gregg have recently been discussing the possibility of setting up a completely local organization similar to what OSPIRG might have been with the money reserved for OSPIRG. Gregg announced that OSPIRG will have a meeting this Monday night, and he hoped that senators would attend. Gregg said that if PIRG has taken no concrete action to prepare a budget within a few weeks, he will ask the Senate to nullify the last Senate's action in allocating the money.

- Gregg asked that the Senate vote on the nomination of Dick Esser for Chief Justice. After some discussion, Joan M. moved that his appointment go before the rules committee, as outlined in the responsibilities of the committees this leg. ses. (2nd- Wendy K.) After more discussion, the question was moved, 2nd-ed, and passed. Debate ended, and the motion carried by a majority hand vote.

Sandy Miller announced that SA Day will be on Oct. 1st, and explained the plans so far.

OLD BUSINESS
- Sandy asked that the senators break into into committees to get acquainted and to choose a meeting time. This proceeded for about 15 minutes.

NEW BUSINESS
- none

ADJOURNMENT
There was a motion to adjourn, and it carried. The Senate adjourned at 7:00 p.m.

The meeting was called to order at about 6:00 p.m.

Those senators not present were: Ralph Beckmeier, Ron Barrows, Pat DeBona, Sigfrido Madrid, Amy Seiden.

After some confusion over Robert's Rules of Order, approval of the agenda was on the floor, and Dave Robinson moved to amend it to include Bill 11. After a 2nd to the motion, and much discussion, the motion carried with 17-yes, and 1-no hand votes. Then, Henry Bartlett moved to also include Bill 9 and 10. After a 2nd, and discussion, the motion was defeated by a vote of 7-yes and 14-no. Then, the amended agenda passed with a majority hand vote.

The minutes were approved with no discussion, with a hand vote.

EXECUTIVE REPORTS
PPB, Rona Bauman gave the list of coming events, and gave some general announcements:
- October 1, PPB is expected to publish their first newsletter
- The Board has hired two new people, Rick Flood, and Marilyn Sloper. She will be the new Box Office Manager in Hewitt Union.
- PPB had a sort of party meeting this weekend to get "policies" together, etc. They also discussed what will happen if the mandatory Student Activity Fee is voted down. Rona assured the Senate, that they came up with some viable alternatives, and that programming on the campus will not collapse.

Gregg Gates, The President of Student Association:
- Gregg explained that Dick Esser did not appear before the Rules Committee because he is no longer able to serve as Chief Justice because of a very heavy academic load. Gregg will submit a new nomination very soon.

PIRG - Gregg explained the general happenings at the Monday night meeting. He then proposed Bill 12, and the Senate discussed the situation in general. Mary L moved to consider Bill 12 today, and after discussion the motion passed with 18-yes, and 1-no. After more discussion, Bill 12 passed with a unanimous hand vote of 21-yes.

-vending machine saga - Gregg is working towards the snack bar being open at least for breakfast, because that meal has been the topic of most of the complaints.

Marie Brutvan, acting President of the Senate, read the resignation of Wendy Karp, and the Senate passed it with a majority hand vote. She also announced that Oct. 1st was the new deadline to submit the "mini"
budgets to the Finance Committee. Coach Fry was present, evidently Sandy Miller had asked him to come, and no one knew what the purpose of that invitation was. To make the best of a confusing situation, He reported on Club Football this year. They got together enough equipment for 58 players, and he is optimistic about the season. One problem however is that it seems as if the players didn't understand that they had to pay for their own jerseys, and the club has a huge outstanding bill for them. The coach said that he is still trying to collect it.

COMMITTEE REPORTS
Rules Committee Henry announced that their meetings will be on Sunday nights at 6:30 in 433 Oneida Hall.

OLD BUSINESS
Bill 7 Kurt S. moved to amend as follows: (A1) in the 5th paragraph, the sentence beginning "if after October 15," is changed to "If after October 15, 25 delegate seats are not filled, the VP of SA shall appoint delegates to fill that no. and the Convention may begin work." After discussion, Al carried, and then the bill as amended passed with 20-yes votes.
Bill 8 After discussion it carried with 15-yes, 1-no, and 3-abs.
Bill 11 Dave made to changes: typing errors had been made, and the stipends for the Election Chairman are $35, the stipends for the Supervisors is $30. Then, the bill carried with 19-yes votes.

ADJOURNMENT
At 7:30, the Senate adjourned, and went home for the night.

(Please refer to the voting record for attendance report)
There was a motion to approve the agenda, and it passed with a majority hand vote.

There was a motion to approve the minutes, and it passed with a majority hand vote.

EXECUTIVE REPORTS

Gates, President of Student Association:
- Gregg reported on the recent FSA meeting. $6,000 was allocated for the building of a basketball court in the new campus area, it is hoped that it will be iced over for the winter months, for ad hoc skating, etc. Also, they are looking into having a phone installed in the library to be used by anyone. (inter-campus)
- He also called attention to the letter in the packet referring to the nomination of Holly Charette as a Supreme Court Justice.

Sandy Miller, President of the Senate
- Sandy again reminded the senators that it is their responsibility to inform their constituencies of SA affairs, and urged them to do so. He suggested a bulletin board in all dorms, with the minutes and other Senate activity posted each week.
- He made announcements about SA day again.
- The Oct. 1st deadline was announced for the SA "mini budgets". Sandy explained that although he has done his best to publicize it, there are still many clubs who haven't submitted a request. He asked the senators to continue to spread the word.

COMMITTEE REPORTS

Election Committee—there was a consensus that everything seems to be all ready for the election, and things have gone well so far.

Student/Academic Affairs Amy reported on their meeting: It was decided to look for more people to work on the committees before setting them up. They’re hoping for people not already connected with Senate, who will have the time and the interest. Now, there are people working on getting more student input into the department meetings and committees.

Rules Committee
- Henry explained the whole situation with the nomination of Dick Esser:
- Dick changed his mind again, and decided to accept the position of Chief Justice, if approved by the Senate, so the committee met again to review him. (The previous time they had met for the same purpose Dick did not come) The committee spent a lot of time discussing Dick, and their interview with him, and eventually voted not to recommend him to the Senate for Chief Justice. The vote was no, and 1 yes.
Henry outlined the reasons for the committee decision as follows:
- Dick admitted that last year he had been pressured into certain court decisions by the Chief Justice
- He has an extremely heavy workload in school
- His GPA is 2.4
- He didn't seem to have a working knowledge of the constitution
- He showed a reluctance to hear political cases.

After Henry's report, the other people from the committee gave their views, and reasons for voting the way that they did. There was a lot of discussion, and some people seemed to have some reservations about accepting the committee's recommendation because of the method used to review Dick. Many people wanted to hear from Dick himself, however, he wasn't at the meeting. After long discussion, Amy moved to accept the Rule's Committee's recommendation. It was 2nd-ed. Then Mary F. moved to postpone the issue until next week, in hopes that Dick could come to the meeting. It was 2nd-ed. This discussion then revolved around the validity of the committee structure. Many points were made, pro and con. The first vote on the motion was tied, 12-12, then Sandy broke the tie with a yes vote. A Division of the House was called for, and again it was 12-12, another Division was called and someone changed their vote, so the final tally was 11-yes, and 13-no. The motion to postpone was defeated.

With the motion to accept the committee's recommendation still on the floor, the Senate voted to accept it with a vote of 15-yes and 9-no.

Marie Brutvan moved to accept Dick Esser as Chief Justice (2nd-Mary) and the motion was defeated by a vote of 9-yes, 13-no, and 2-abs.

OLD BUSINESS

Bill 9 A Clause that read "to be decided by the Senate" in section b. was deleted by a friendly amendment, and the bill passed with 23-yes and 1-abs.

Bill 10 A: Marie moved to amend to delete sections b and c and it carried with 20-yes and 4-no votes. Then Henry accepted a friendly amendment to add a new section b., which reads: "When a Senator misses more than one roll call vote ". After much discussion about absence, etc., the bill was withdrawn because it was insufficient.

Res. 1 Sandy Miller explained the origin of the bill, and pointed out that although many people thought it humorous, the bill had a very serious intent. Gregg Gates withdrew his sponsorship. After discussion Hilda offered a friendly amendment and it was accepted: to change the word "freshperson" to First Year Student. The vote on the Resolution was 12-12, and Sandy broke the tie with a yes vote, so it carried with 13-yes and 12-no votes.

NEW BUSINESS

Mary F reported for PPB, and gave the recent schedule of events. Bob Slote for PIRG was not present.

ADJOURNMENT

There was a motion to adjourn and it carried by a majority hand vote. The Senate stood adjourned at 7:50 p.m.

Senate Minutes

The meeting was called to order at 6:05 pm.

Senators not present were: Bill Schraer.

There was a motion to approve the agenda and it carried with a majority hand vote.

There was a motion to approve the minutes, and Henry Corrected the Rules Committee reports to read the vote on Dick's nomination as 1-yes and 2-no. It was so noted by the clerk, and then the minutes were approved by a majority hand vote.

EXECUTIVE REPORTS
Pam Pond from Student Action Movement, introduced herself and explained about the programs SAM is sponsoring, giving dates, etc, and passed out literature on the political prisoners in Indochina.

Gregg Gates
- after investigating the reasons behind the "machines" Gregg found that last year food service lost a large sum of $, and just couldn't seem to keep their heads above water with the snack bar. So, the vending machines; for a one year trial. Gregg was upset that FSA wasn't even consulted before the decision was made, although pending the circumstances, he is satisfied that it was their only available alternative at the time. The ad hoc committee on the"machines" will try to come up with viable alternatives for next year.
- He then asked the senators to remain a bit after the meeting to speak about the contingency fund of $15,000 to have an informal discussion.

COMMITTEE REPORTS
Student/Academic Affairs Joan reported that they are making some progress at getting students on more department committees
Election Report Dave gave the election results:
In Johnson, the winner was Joan Cesari with 102 votes
In Onondaga, the winner was James Reilly with 37 votes.
In Lyons/Moreland, the winner was David Brand with 169 votes.
In Seneca, Marie Brutvan and Bill Mulvey won, with 53, and 54 votes, respectively.
The Commuter winners were: Pattie Brisson (62), Sylvia Greeney (55), Marcie Jengel (71), Dave Robinson, (71), and Robert Swanson (48).

Finance Committee Marie asked that all committee members remain after the meeting to agree on a time to begin meeting to review the budget.

Rules Committee Henry reported that although they had planned to review the nomination of Holly Charette for Associate Justice, there was a problem in getting the committee and Holly together at the same time this week, so they would like to wait a week before the Senate votes. Amy moved to defer action on the matter, and it carried with a majority hand vote. Henry then mentioned that he has been watching the Senate attendance, and one person already satisfies the "grounds for removal" requirement. At this time, the committee plans no action on this matter.

OLD BUSINESS
Bill 13 Sandy passed out an amendment to the bill which changed section III on membership: A. At least 4 members of the Committee will be senators. B. one of them will be a chair and only vote if a tie, C. only 2 persons from any one SA club can serve D. Director of Finance serves ex-officio-non-voting, E. President and VP of SA serve as ex-officio, non-voting members, or designee, and F. they shall determine their own size. After discussion, the bill as amended passed with 24 yes votes.

Resolution 2 Sandy reported that the resolution was withdrawn.

NEW BUSINESS
PPB Mary reported that she hasn't yet been able to meet formally with the board, but she plans on meeting with Gale soon to go over her role as SA PPB rep, etc. She then gave the week's announcements of events.

Senate Minutes

October 8, 1974

Minutes

The meeting was called to order at 6:05 p.m.

The following senators were not present: Sen. Beckmeir, Steve Dullahan, and Bill Schraer.

The agenda was approved by a majority hand vote.

The minutes were approved by a majority hand vote after noting that Cheryl Bird, from Hart Hall should be included under the Election Committee Reports.

EXECUTIVE REPORTS
Gregg Gates, President of SA
- on the vending machines: He explained that his sentiments have changed since last week, and he still plans to pursue the subject further. There will be a FSA Board of Directors meeting on October 23, and he plans to find out, more specifically, the reasons behind the "machines".
- Noting again, that the FSA Bof D's wasn't consulted as to the vending machine decision, Gregg hopes to discuss the function of the Bof D's, and how it needs improvement.
Sandy Miller, President of the Senate
- Sandy asked all of the new senators to stand as he called their names, welcoming them to the Senate. Then, reading the oath, he swore them into office. Sandy also asked them to stay a few minutes after the meeting to meet the committee chairpeople in order to learn about which committee they might like to serve on.
- Sandy reported that there will be a SASU conference this week, and that he plans to attend, and bring back a report to the Senate.
- Petitions for the Constitutional Convention are still available in the Senate Office.
- Sandy explained the "Speaker's List" System, and how it works to the new senators.

COMMITTEE REPORTS
Rules Henry reported that they reviewed Holly Charette, and the committee unanimously approved the recommendation for Associate Justice. There was a motion to accept the committee recommendation
(Rules cont.)

and it passed by a majority hand vote. Then, there was a motion to accept Holly as an Associate Justice, and it carried with a majority hand vote.

Henry then reported that rules committee unanimously voted to expel Larry Stern from the Senate for reasons of attendance to committee meetings, and the Senate body. There was a long discussion, some people were very reluctant to expel him, wondering if he might have a good excuse for his lack of attendance. Various people explained that he seemed to have no desire to be a senator, but wouldn't resign, and that he never made excuses for not coming. The motion was put to a vote, and was defeated with 15-yes, 2-no, and 15-abs. (a motion to expel needs 2/3) Sandy called for a division of the House. More discussion followed for a while, and then Sandy ruled it out of order. This time, the Senate voted to expel Larry Stern with 24-yes, 5-no, and 4-abs.

Finance Committee

Marie reported that they have reviewed about 1/2 of the budgets submitted, but that because of the holiday (Columbus Day), the finished budgets couldn't be finished and typed until Wednesday. Marie suggested that the Senate go ahead and meet on Tuesday, if they will all remember to come and pick up the budgets in their mail boxes on Wednesday afternoon. Sandy agreed to the meeting on Tuesday, as usual. Marie again reminded everyone to pick up the budgets!

OLD BUSINESS

Bill 14 After discussion, the word non-profit was stricken from all places in the bill. More discussion followed, and an explanation from Dr. Rock about the system of control of student conduct on campus, etc. Then, the bill passed with 20-yes and 12-no votes.

Resolution 3 The point was made that Res. 3 really should be a bill, because it deals with funding

PIRG

Gregg started the discussion with a basic history of the situation, and the communication between he and PIRG this summer. Then, before opening discussion, Sandy explained that the purpose of the discussion was to discuss, not debate, the whole situation of PIRG, and its possible alternatives or solutions.

Then, the floor was yielded to a student from OSPIRG. Various people from PIRG spoke, and explained their current projects, attempting to show the Senate that PIRG is a very worthwhile organization. Also, they explained the many advantages to being part of NYPiRG, as opposed to starting a strictly local, autonomous group. (funding, expertise, support, power, etc.) A representative from NYPiRG of SUNY at Albany explained why they can have an effective program for only $3,500, and why we couldn't... the reason being that there are other PIRG offices in the area, and SUNY at Albany "uses" their staff people. Right now there are only about 15 active members of PIRG here, but it was explained that the reason is that there is no funding for publicity. More discussion followed, Senators asked questions, etc. Other advantages to NYPiRG were highlighted: its credibility, and it's full year program, continuing even while school isn't in full session.
The question of "liability" was again brought up, and although PIRG admitted that SA could be liable, they also said that it was highly improbable that SA would ever be sued, and that the contracted company is usually the one to be sued. Also, it was pointed out, that NYPIRG would provide a defense in case of suit.

No other alternatives to spending the $15,000 were discussed. Many of the senators expressed a desire to speak to their constituencies.

Amy moved to end discussion, and it carried.

NEW BUSINESS

PPB announced the coming events.

ADJOURNMENT

The Senate stood adjourned at 9:40 p.m.

Senate Minutes

The meeting was called to order at 6:10 pm.

Those senators not present were: Pat DeBona (sub-Diane Axelrod), Mary Francovilla, Dave Grand, and Amy Seiden (sub-Ron Dygert).

There was a motion to approve the agenda, and Sandy noted that item A under Old Business should be Resolution three, as opposed to Bill 14. It was then noted that Resolution three had been withdrawn, so Sandy struck it from the agenda. Kurt then moved to amend to include Bill 17 under Old Business. He gave rationale for why he felt it should be on the agenda this week, and after discussion, the motion to amend carried by a 2/3 majority. Then, the amended agenda carried by a majority vote.

There was a motion to approve the minutes. It was noted that Amy Seiden moved the agenda, not the question, on page three. Then, the minutes were approved by a majority hand vote.

EXECUTIVE REPORTS

Gregg Gates, President of SA
- called attention to the article in the Oswegonian entitled, "Vending Ending", explaining that although he feels that we have made positive steps, he cannot guarantee the ending of the vending. He does believe though, that it is highly probable that the machines will be replaced with something more satisfactory.
- He announced that the meeting of the Board of Directors of FSA has been changed to October 24th.

Sandy Miller, President of the Senate
- Read the resignation of Ralph Beckmeir, and Hilda Mazzer, and they were both accepted. (By separate motions)
- Sandy sent a sheet around for the new senators to sign up on committees
- The budgets will be "out" tomorrow afternoon, DON'T FORGET TO PICK THEM UP! After feeling the Senate out as to when they would like to have a special budget session, the decision was made to meet on Wednesday nite (the twenty third) at 9:30.

COMMITTEE REPORTS

Finance Committee Marie reported that the budget will be out and ready, and that she is hopeful that it will not be extremely time consuming, because the committee came up with a lean but fair budget.

Election Committee Dave reported that they have some new members tonight, and that he'd like everyone to stay after the meeting to set up dates for the election in Oneida Hall. He also spoke in hopes of proposing a bill that will stand to cover all such cases for elections, so that it will not be necessary to write a new bill for every election.
COMMITTEE REPORTS (cont.)

Student/Academic Affairs Joan asked that all members stay after the meeting to find a good time to have a meeting.

Constitutional Revision Kurt announced that they will meet this Thursday at 11 AM.

OLD BUSINESS

Bill 15 After discussion, Joan M. Moved to amend (A1) to change the allocation to $1,100, and to delete section 2). (2nd-Henry).
The motion was defeated with 7-yes, 25-no, and 1-abs. Then, after further discussion, the bill passed with 25-yes, 7-no, and 1-abs.

Bill 18 (previously Resolution 4) It was excepted as a friendly amendment to delete the date, and specific fees, so that it will serve in the future also. Then, it passed with thirty two yes votes.

Bill 17 passed with little discussion with thirty three yes votes.

(EXECUTIVE REPORTS) (cont.)

Gregg explained that he had forgotten two important things:
1. was Dennis Morton, the manager of the Food Co-op who came to explain the tentative plans for expansion of services on campus. He gave the basic proposal of a $5 permanent deposit, and 50 ¢ dues per month. SA would get 10¢ of every 50¢ as a token repayment of the original grant, and to compensate them for the book work involved to keep the on-campus students' permanent deposits. He answered questions, etc.
2. Also, Gregg explained that the citizens for Hugh Carey have come up with a new and easier system for getting absentee ballots for the coming elections. Gregg asked that all on campus senators come to his office and pick up a bunch for their constituencies, and that other senators come and help to get them to commuters also. These ballot applications are only for pre-registered voters.

Sandy-SASU conference- Sandy ordered a lot of purchase power cards which he will have soon, and make available to students here to save a lot of money in the purchasing of appliances, and many other things. Please see him to get the stickers.

ADJOURNMENT

The Senate stood adjourned at 7: thirty pm.

Upon this, the Chair ruled the bill out of order because that procedure was strictly against SA guidelines. A motion to amend as follows was made (A2):"All funding shall be removed if Prometheus fails to adhere to the SA guidelines stipulating open membership to all SA members, or if they continue to collect dues as a prerequisite to vote in the organization! The agenda was approved by a majority hand vote.

The minutes were approved by a majority hand vote.

EXECUTIVE REPORTS

Sandy
- Thanked the Finance Committee for the excellent job they did on the Program Fund Budgets.
- After discussion, it was decided that the Senate would meet next Tuesday as usual, even though it is Election Day, most senators expected to attend.

Gregg
- Reported on the FSA Board of Director’s Meeting: the machines will be moved to where the old service line was, behind a partition from the present service line. The meeting was quite productive, in discussing the overall College Food Service situation. Gregg also gave a general history of the founding of FSA, etc.
- Gregg read the summons that he received from the Supreme Court which deals with the credibility of the Senate (challenging the academic standing of members, and the faculty membership) and gave his response:
  - If the charges read are correct then every action that SA took since 1971 is null and void.
  - It appears as if the people who filed the charge didn’t do much research
  - He gave the history of faculty representation, and the legislative route that it took
  - He then explained that the freshman senators must be in good academic standing or they wouldn’t be here.

Then, he went on to site what in his mind is the bigger issue involved; not the dubiousness of the constitutionality, but the dubious action on the part of the organization (OSPIRG) who filed the complaint.
EXECUTIVE REPORTS (cont)
Gregg went on to stress the point that the Senate should not be intimidated by this charge, and that they still have the right to allocate $ from the contingency fund as they see fit.

- Gregg then called attention to the memo he sent around, to nominate Kurt Spears for Chief Justice, and asked that the Senate approve it.
- Although he won't be here next week he will have suspended with all of the bills from the budget.

Then, Sandy in order to give equal time, asked John McGrane if he had anything to say on behalf of PIRG, and he said that he thinks that it should be decided in the court, not in the Senate.

COMMITTEE REPORTS
Student/Academic Affairs Joan explained that the two resolutions in the packet should be sponsored by the committee, and not by her, and that Res. 5 should be changed to read that the drop dates will be no sooner than the 10th week of semester courses, and the 5th week of class for the quarter courses.
- She explained what the $1,000 was for in Bill 50, and stressed the importance that the Faculty evaluation get out before registration.
- The committee won't act on the car pooling questionnaire because there was little feedback, and it appears as if car pools are already in effect to some extent. There was a suggestion that the questionnaire be printed in papers other than the Oswegonian, because many commuter senators don't read it, and the suggestion was accepted.
- Tom Larson was appointed to the Library Council
- Amy reported that the administration is asking for 3 senior students to be part of the Distinguished Teaching Award Screening Committee, and asked if anyone was interested in doing it. 2 people volunteered, Diane Axelrod, and Sandy Miller.
- Election Committee, only 3 people showed for the meeting, so they didn't do anything. It then came out that the elections for Oneida Hall are all set up.
- Constitutional Convention Kurt reported the good response to last week's add, and said that they'll get started soon.
- Rules Ron asked everyone to stay after a bit after the meeting, to set a time of meeting, etc.

OLD BUSINESS
Bill 36 There was a motion to take it off the table, but it was then withdrawn, because the previous questions were still unanswered.
Bill 49 There was a motion to table, and it carried unanimously.
Bill 50 was friendly amended to read: $2,000 be allocated to the Ski Club from the contingency fund. After discussion the bill passed with 29-yes, 2-no, and 2-abs.

There was a motion for Special Orders of the Day to deal with bills 54 and 55, which were written on the spur of the moment. (Bill 54 allocated $1,000 to the Day Care Center) (Bill 55 allocated $1,000 to Student Academic Affairs) both from the contingency fund.
Bill 54 passed with 29-yes, 3-no, and 1-abs.
Bill 55 passed with 32-yes, and 1-abs.
Bill 51 there was a motion to table, and it carried unanimously.

NEW BUSINESS
PPB, Mary isn't present.
Athletic Advisory Committee - none was present due to a broken leg, which Sandy defined as excusable.

Bill 36 was taken from the table because someone from the club showed up to clear up the situation. Amy moved to amend (A1) to include the $207.27 requested for the conference. Diane moved to postpone for a week, but it was defeated with 6-yes, 23-no, and 3-abs. A1 carried with 21-yes, 8-no, and 3-abs. Then, Betty moved to amend as follows: (A2) SA members will be required to pay no fee and non-students required to pay $1.50. A2 carried with 31-yes and 1-no. Then, the bill as amended passed with 30-yes and 2-no votes. ($237.27 allocated)

Joan shouted that the Student/Academic Affairs Committee will meet at 3:30 Tuesday, and

ADJOURNMENT
