A motion was made to approve the agenda, and it carried.

EXECUTIVE REPORTS

Sandy announced that Chief Frederick Sharf of the Oswego Police was present for the mini lecture series.

-The budget hearings will be Monday and Tuesday. After polling the Senate, it was decided that the hearings on Monday would be from 9:00 until a time to be decided later, in the formal lounge.

-There will be a chairpersons meeting Thursday at 4 pm... Important.

Chief Frederick Sharf

The Chief discussed the history of the Police Department in Oswego, dating back to 1870. He also gave statistics indicating how the crime rate has changed in Oswego, and the types of crimes most common here. He cautioned the students about drinking while driving, and drug abuse. As questions arose he pointed out that students have no reason to be fearful of the City Police because they are treated just as any resident would be. He also denied ever blaming the students for the rising crime rate, except for the fact that we of course, as a percentage of the population here, are responsible for a percentage of the crime.

Gregg started by explaining the reasons behind Bill 71, and explained its content. A motion was made to consider it immediately, and it carried by 2/3 of the members present;

Bill 71 With little discussion, The Bill carried with 23-yes votes.

Gregg went on to explain the necessity of Bill 72 passing, and there was a short discussion period on the SUNY budget, tuition, etc.

Kenny (ppb) explained the reasons why we couldn't have a super concert in the field house as planned last year, and discussed alternatives for concerts, using the $18,500.00. The Board desired the Senate to decide which alternative was best; 1) go halves with S.U. for a concert with Eric Clapton in the war memorial, providing bus round trip for $1.50 extra of ticket price. 2) to return $3,500 to SA and use the rest for a major concert in the gym and then another concert outside as part of the folk festival. After many questions and a lot of discussion the Senate voted on the issue. Being quite split, the discussion continued. Finally another vote was taken and this time it was 2 in favor of 1), and 21 in favor of 2).
Sandy then announced that there will be a supervisor's meeting this Monday at 4:00 pm, all supervisor's must attend.
He then introduced Terry Pollack who will be filling Tony Lawrence's seat until the end of the semester.
He called the Senators' attention to Resolution 11, and read the letter of request to hold the meal sacrifice.
Ed Falco reminded the senate again about the problem with student teacher refunds, summer session fees, and ID cards. The Senate must act soon if anything will be changed for next year.
