In order for a student to be eligible for S.A. campaign funds, it must be determined by the appropriate officials that s/he is a bona fide candidate according to the specifications of the bill and S.A. guidelines; bona fide candidates will be notified 28 days before the election is to take place.
   E. No electioneering is to take place within 100 feet of the polling booths (tables) after 8 am the day the polls open. Electioneering shall be defined as any posters, pamphlets, leaflets, or other printed or written documents, or formal or informal speeches stating candidate or party platform whose purpose is to work for the election of any candidate(s) or party.

II. Method of Balloting

5) If a Presidential candidate and a Vice-Presidential candidate wish to campaign on the same ticket as "running mates" they must state this intent on their respective petitions. They will then be allowed, if they so desire, to combine the funds allocated to them from the aforementioned account.

6) No candidate shall be allowed to spend S.A. campaign funds for any purpose other than his/her election campaign. If there are more than 10 candidates, each one may put into the fund the number of dollars it takes to make up the difference between the amount s/he is allocated from the S.A. campaign fund account and $100.

7) All disbursement of campaign funds must be made through the Finance Department of S.A., rigidly complying to present policy specifications. These include: a) no charged purchases (without a purchase order); and b) packing slips, invoices and actual campaign merchandise received must be identical.
