MINUTES

The meeting was called to order at 6:42 p.m.

Minutes of the 9th Senate Meeting were brought to the floor for approval. Ed Vaughn moved to amend the minutes to read: Geoff Lindsay [was] questioned by the Senate regarding cutting the Oswegonian publications from two a week to one. Joe Schettino further recommended that the minutes be amended to read: Geoff Lindsay [was questioned, and refused to answer,] by the Senate...... The minutes were then approved by the Senate.

The Agenda was brought to the floor for approval and was amended to place the Finance Committee Report before the Executive Reports. A motion was made to put bill 24 on the agenda, however the bill did not have a sponsor and the motion was withdrawn. The agenda was then approved by Senate.

Finance Committee: Stan Luger mentioned why the transfer from Surplus to Contingency was necessary. Program Fund has one more organization (Karate Club) to fund. Stan suggested that all Finance Committee members be admitted to all PPB events free so that they may be more informed on how PPB uses their funds. Also, Stan estimated that approx. $10,000 is left in Program Fund for next semester.

Supreme Court: Brian Krumm said that starting next week all senators will be informed in writing of their duties.

Vice-President: Brian McAloon thanked all the temporary senators for a job well done. He also wished those that were running for reelection "Good Luck". Brian mentioned that the ballots for off-campus will close at 5:00PM and the ballots in the dining halls will close at 7:00PM. Results will be in the Oswegonian.

Program Policy Board: Ed Vaughn told the Senate that they will be given "Passes" to all PPB events. Also Ed said that he thought that PPB should have a more clearly defined hierarchy and that he was trying to improve the situation.
President: Joe Schettino told people that did not have a name on a SA mailbox, not to steal Senate packets from other boxes! Joe mentioned that the "Life Off Campus Office" (L.O.C.O.) is getting into action and is currently working on the consumer products and off-campus directory. SASU leadership conference at Binghamton on the weekend of Oct. 15 - 17th looks like an important one to attend. Joe offered to take senators that were interested. Also Finance & Athletic Committees are working hard on MIA budget solution; Joe urged Senate to accept the proposal when it comes before them.

Housing: There will be a meeting at 3:30 in the Tavern on Mon. to discuss the room selection process. All welcome.

Athletics: Ed Vaughn said that current MIA budget solutions contain cuts such as: Baseball spring trip $632; Lacrosse spring trip-$700; and maybe $1668 out of Student Work.

Academic Affairs: Students will get an "E" rather than "W" after final drop date from now on. College Curriculum Committee (decides on which courses will be taught) will have a meeting Fri. Needs two senators to volunteer. Murray and Mike said they would go to the meeting.

Aux. Services: Committee is in favor of having more students on the Board. Food Service investigation is a possibility. Day-Care proposal was approved by A.S. but the vote was ruled invalid (because of illegal proxy) however the proposal is expected to be approved next week.

NEW BUSINESS:
Brian Krumm read letters to and from Geoff Lindsay (Editor of the Oswegonian). Also stated that Senate does not have the power to interfere with internal affairs but that the Executive does.

Bill 22 was put on the floor regarding the transfer of $3500 from Surplus to Contingency. The Bill was passed: 16-yes, 0-no, and 1-abs.

Res 4 was put on the floor regarding 50% student representation on Aux. Services Board. Murray Averick stated that most of AS money is student money and that students should have a significant say in how it is spent. The resolution was passed: 18-yes, 0-no, and 0-abs.

The meeting was adjourned at 7:25 PM.

The Auxiliary Services Committee will be replacing the Housing Committee and will be co-chaired by Murray Averick and Jim Switzer. They will handle on campus matters while Community Relation Committee in cooperation with LOCO will be involved with off campus problems. Brian announced that Brian Krumm's report will be omitted from Executive Reports. Cheryl Bird, administrative assistant, is working with Dennis Morton about Food Coop.

COMMITTEE REPORTS:
Finance: Meetings will be Monday night at 8:30 in room 217. The Committee recommended the passage of Bill 30 and Bill 34.
Rules Committee: Met this week concerning Bill 36 which stated that Auxiliary Services become a standing committee of the senate. The Bill was ruled illegal because it is the President of the Senate's decision with the recommendation of the Rules Committee.

Monday nights at 6:00 p.m. the committee will be reviewing all bills. Auxiliary Services: The committee spoke with Craig Traub and Mr. Fox concerning opening of the afternoon grills. They presented a fact sheet which included reasons for not opening grills. Such reasons are that Cooper is centrally located and individuals with late classes are now using the service provided successfully, student participation in afternoon grill last year averaged 10% of those on the meal card, and campus energy conservation was a concern. They concluded that the opening of more afternoon grills "would increase the food service labor cost and this would necessitate the removal of some menu items in order to maintain the overall cost." Question were directed to Craig Traub and discussion followed.

OLD BUSINESS:
Approval of the Senate of the committee members with their chairpersons.

New Business:
Nick Wildeman from SAVAC spoke to the senate. Bill 30 was passed by a vote of 32y, 2n labs.
