Article 1

Section I

All legislative power herein granted shall be vested in the Senate of the Student Association.

Section II

1. The Senate shall be composed of members chosen annually by the living center or centers. (The term living center shall be defined in the By-Laws of this constitution.)

2. All Senators shall be regularly enrolled students of the State University of New York College at Oswego with an accumulative grade point index of at least the college minimum for good academic standing, and each shall at the end of his election be a member of that living center and shall remain a member of that living center for the duration of his office.

3. Senators shall be apportioned among the several living centers within the college according to the respective numbers in the living centers.

   The enumeration shall be made 30-60 days prior to the All-Campus Election on the basis of estimated membership in each living center for the coming semester.

   The Senate shall determine the number of Senators to be chosen by each living center or group of living centers.

   The number of Senators shall never exceed 66 nor be less than 33. No living center shall be denied representation.

4. When vacancies occur in the Senate by resignation or otherwise, they shall be immediately filled by Writs of Election issued by the Executive Authorities of the living center or centers, affected, and eventually filled by special election conducted among the residents of such living centers.

5. The Vice-President of the Student Association shall be the President of the Senate, but shall have a vote only in the event of a tie.

6. The Senate shall choose its other officers, and also a President pro tempore, in the absence of the then Vice-President, or when he shall exercise the office of President of the Student Association.
7. The Senate shall have the sole power of impeachment and trial of impeachments. In all cases of impeachment the Chief Justice of the Supreme Court shall preside, except in the case of his own impeachment in which case the Vice-President of the Student Association shall preside. No person shall be convicted without the occurrence of 2/3 of the members present.

8. Judgement on cases of impeachment shall not extend further than to removal from office, and disqualification to hold and enjoy any office of honor or trust in the Student Association.

Section IV

1. The recourse to recall a Senator shall be in the hands of the constituencies from which the Senator is elected; to be conducted in the following manner:

If after such reconsideration 2/3 of the total Senate agrees to pass the bill it shall become law. But in all cases the vote of the Senate shall be determined by yeas, nays, and the names of the persons voting for and against the bill shall be entered in the journal. If any bill is not returned by the President within 10 regular class days after it has been presented to him, the same shall become law, in like manner as if he has signed it, unless the Senate by its adjournment prevents a return in the form of a vote, in which case it shall be law.
