WITHDRAWN
Whereas, the S.A. currently owns a substantial amount of fencing equipment representing an equally substantial investment of S.A. funds, and

Whereas there presently is in excess of $24,000.00 in Contingency Account #751, at the same time realizing the prior commitment of funds to purchase S.A.VAC an ambulance, and

Whereas, fencing is a sport that is enthusiastically pursued by a growing number of people (100 students/quarter taking fencing classes and approximately 2/3 of the members of the old fencing team who still fence regularly) and who for there is no formal or organized way for them to further their interest in the sport, and

Whereas, characterizes what is known as a "life-time" in an age in which the emphasis in physical education and health is on sports which can serve individuals their entire live, and

Whereas, for monetary or other reasons it becomes increasingly important to promote Oswego's name and spirit to people outside the institution as was once done by a team that in six years became ranked 2nd in New York State and which competed nationally, and

Whereas, funding of the fencing club could involve a large number of people (approx. 30) at a variety of levels of involvement (individual instruction right of through to state-wide competition including the Empire State Games), therefore

Be it enacted by Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that:

The transfer of $2534.40 from Contingency Account #751 to Account # for the formation of a fencing club to be called the Oswego State Fencing Club.

Be it further enacted that:

Passage of this bill will also transfer all the remaining fencing equipment to the club and fall under supervision of the club's officers. Any equipment that is deemed extraneous...

The sum of $402.70 be transferred from Contingency Account #751 to LOCO account #682 for the purchase of 2400 hanging folders and tabs.

Bill 75

Whereas, the Lee Hall Recreation "Student Help Account #728" was cut back due to budget constraints last year, and

Whereas the Budget Council's rationale for the cut was to eliminate the duplication of services between Lee Hall and Laker Hall, and

Whereas, recreation is an important part of the student's total college experience, and

Whereas, as funds are currently available to fund this vital service at its proper level, therefore

Be it enacted by the Student Association Senate of the State University College at Oswego, College of Arts and Sciences at Oswego

That the sum of $450.00 be transferred from Contingency Account #751 to Account #728 (Lee Hall Student Help).

Bill 76

Whereas, as on March 8, 1978, Bill 63 was passed by a vote of 23-0-1. This Bill stated the following:

1). A PPB pass be established for faculty and administrators to allow them to obtain student prices on PPB events with the pass.

2). The price of this PPB pass would be set at $10.00. This would be approximately the amount which students pay S.A. for PPB.

on the following rational: Oswego is a cultural void, faculty is a large part of the Oswego Community, faculty have added students in many ways.

Whereas, Hockey games and Blackfriar productions are both areas of entertainment to member of the college community, and

Whereas, a $10.00 per semester charge would fairly represent the amount a student subsidizes PPB, Blackfriars, the ice hockey programs, and

Whereas, by expanding previous legislation to include both hockey and theatre productions would have an advantageous effect on the cohesiveness of the college community, therefore

Be it enacted by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that

a $10.00 per semester pass be available for purchase by a Oswego faculty member or administrator. This will enable the purchasee to attend hockey and Blackfriar productions at S.A. Prices.

Whereas, a number of alternatives for Third World programming have not met with the success that was hoped for, and

Whereas, the only way that Third World programming will resemble the quality of programming produced by the Program Policy Board is if a Third World Programming Committee is incorporated within PPB,

Be it enacted by the Student Association Senate of the State University of New York College of Arts and Sciences at Oswego:

A Third World Committee of Program Policy Board be formed, consisting of four members. This committee shall not be composed of representatives from any specific organizations on campus, but shall be a group of individuals selected during the regular PPB selection process by the PPB selection committee. The purpose of this group shall be to select and program events of a Third World nature for the entertainment and education of the campus community.

Be it further enacted, that the Third World Committee of PPB will invite membership from individuals with special interests in Third World social, cultural and educational activities with the purpose of programming for the general college community.

Be it further enacted that in order for the Third World Committee to make efficient use of their programming monies, and whereas one committee cannot be expected to be knowledgeable in all areas of programming, therefore all Third World events will be co-sponsored with the appropriate committee of PPB.

White Ballot
Resolution 30
March 19, 1980

Whereas, the Oswego Great Laker Hockey Team finished the 1979-80 season with a record of 27-8-0, one of the finest records in the nation in Division II, and

Whereas, the Great Lakers won the 1979-80 SUNYAC Conference Championship with an undefeated record of 13-0-0, and

Whereas, the Great Lakers won the 1970-80 ECAC Division II west Championship by totally dominating and destroying its opponents in a most impressive fashion, and

Whereas, the Great Lakers were clearly the finest team in the nation, as well as the ECAC Division II West Conference, and

Whereas, the Great Lakers were fully deserving of a bid to the NCAA Championships in Elmira, and

Whereas, the Great Lakers were denied a Bid to the NCAA tournament due to a political and totally subjective consideration, and

Whereas, by committing such an act the NCAA selection committee severely diminished the NCAA's integrity, prestige and viability as a governing body for collegiate athletics, therefore

Be it enacted by the Student Association Senate of the State University of New York, College of Arts and Sciences at Oswego that

The Senate strongly condemns the NCAA for its blatantly political and subjective denial of a tournament bid to the Oswego State Great Lakers Hockey Team and demands that a fair selection process be instituted immediately.

Be it further enacted that the Senate proclaims the Great Lakers to be 1978-80 National Champions in Division II Hockey since the NCAA has lost its validity as a determiners of athletic excellence.
