Your suggestions needed for Workshops & Seminars for UUP to sponsor
We are looking for your ideas & needs to develop educational programs @ lunchtime for next year. It could be for Academic, Professionals or Both. If you would like to be a presenter or know of someone who can help with the training, please email us. Your ideas will be looked at by your chapter officers & committees to see how we can help you develop in your career and life. We value your input.

Please check your paystub deductions & contributions carefully
Once you sign up for a deduction you should check periodically that it is what you signed up for and is proper deduction amount. This was brought to my attention by a UUP member who had signed up for such a deduction and was incorrectly charged for another amount. Keep a copy of any such transactions and maybe put in the dollar amount in both numbers & in script to protect yourself.
