WHERE, OH WHERE, HAS OUR FOOD SERVICE GONE?

By now you have figured out you need to walk to the SAC to get your cup o' joe. And a hearty lunch is not to be found in the Library vending machines. In the galleria, there will be a new food operation set up with new equipment and counters installed - maybe even running water. It is supposed to open by the start of the fall semester according to Kevin Kelly, Executive Director FSA.

JUNIOR FACULTY RETREAT: (written by Susan Lieberthal + William Glenn)

(This is the introductory part of the report; for the complete text go to share file Library_Staff, then to folder Junior Faculty.)

The Stony Brook University Libraries Junior Faculty Retreat took place at the Child's Mansion, Tuesday, May 30, 2006. Aimee DeChambeau, William Glenn and Susan Lieberthal were the organizing committee. After coffee and set-up time, a full morning of presentations and posters ensued. Everyone attending gave a presentation or displayed a poster. After lunch, most of the attendees braved the mud and mosquitoes to walk through the salt marsh. It was very beautiful and the weather was fine. In the afternoon, William moderated a discussion on the role of junior faculty in the strategic planning process. This was a productive and enjoyable discussion (see recommendations below in description of the Moderated Discussion.)

Everyone filled out the online evaluation form about the retreat. This, in itself, shows the commitment of the group to their work, colleagues and profession. Attendees rated all aspects of the day, and here are the results in order of popularity:

Moderated discussion (10)
Presentations (8)
Socializing (7)
Venue (6)
Posters (5)
Recreational time (hike) (3)
Day off (1)
Food (1)

As you can see the Junior Faculty is a bunch of workaholic librarians! It is clear that as a group the Junior Faculty is deeply engaged in thinking about how the library can be a better place. Attendees also worked hard to provide knowledge of their specific field to their colleagues and enjoyed each other's company very much. Having a retreat offsite, especially at the beautiful Child's Mansion, enhanced our ability to get the most out of the day.
