## LIBRARY SPACE ISSUES:

At some point or another we have been affected by lack of space or how to make use of acquired space . Our own worlds can be topsy-turvy if someone is "in our space". Here at the library, collections, furniture (and sometimes people) are being shuffled in and out and in-between. Library Services Committee invites you to attend a forum on August 23rd in Javits Room, noon - 1:30 (2:00) pm. This forum includes remarks by a panel including Helene , David, Godlind, Kristen and Janet. There will be a block of time for discussion of their remarks. We urge you to attend so, if you haven't already, let Maryanne know if you will be there.

Attached are responses from the panel . But more is to be said at the forum .
