From the Office of Financial Aid and Student Employment:

Dear Colleague:

It is that time of year again— **The 6th annual Student Staff Appreciation Day** will be held on **Wednesday April 2nd from 12:40pm- 2:10pm** in the **Ballroom** of the **Stony Brook Union**.

Do you have a student employee who has made a valuable contribution to your department? If so, the Office of Financial Aid and Student Employment is offering you the opportunity to honor your student employee. We wish to express our appreciation to and for all the student employees who make significant contributions to our campus community. This year's event will once again feature a guest speaker, food, door prizes, presentation of certificates of appreciation to all our nominated students, and awards to all honorable mentions and recipients of our **Student Employee of the Year Contest**.

If you would like to nominate your student employee(s), this includes undergraduates and graduate students working under both the Federal Work-Study and Student Assistant program, for this special honor, please complete the attached form and return it to me **NO LATER THAN February 7, 2003**. Award recipients and their sponsoring departments will be notified sometime after March 3rd.

Nominees will be judged on reliability, quality of work, initiative, disposition, and contribution to employer. Successful entries require specific examples demonstrating each of these qualities.

This year Stony Brook will once again be submitting, our highest ranked undergraduate student, to compete at the state, regional and national level. The Northeast Association of Student Employment Administrators (NEASEA) and the National Association of Student Employment (NASE) sponsor these awards.

Please take this opportunity and nominate those students who really deserve this recognition.

Please let me know by March 26th if you are planning to attend our reception and how many students will be accompanying you. Hope to see you there!

Sincerely,

Peter Franzese,
Senior Financial Aid Advisor/Student Employment Programs
