STUDENT STAFF APPRECIATION DAY:

Problem: The library hires the largest number of students on campus, yet we have 4 students nominated to receive awards.

Solution: If all areas that hire would select one student we would have a better representation! Please set aside some time to complete an application for a deserving student. Things to consider are: **reliability, quality of work, initiative, disposition, and contribution to employer. Successful entries require specific examples demonstrating each of these qualities.**

Here is the form which you can do on the computer and either send to Pam as an attachment or print it and give it to Pam.
