DIGITAL CAMERA FOR LOAN:

The library purchased a mini digital video camera as part of the library's digitization work that is available for use by staff and librarians for filming. The camera is located in the Spec. vault and may be signed out by staff members needing it for library or campus related events pending scheduling. The camera unfortunately can not be used at this time for personal filming. Interested parties should contact Spec. at 2-7119 and see about scheduling; the camera takes Mini DV-cassettes.
