**REMEMBERING SEPT. 11, 2002:**

James Cress Florist, Port Jefferson Station, put together the bouquets of red, white and blue carnations for the 6th anniversary of the World Trade Center tragedy. This staff initiated idea was a follow-up from the meetings soon after the attack. These arrangements will be displayed in a prominent location throughout this week in various public service areas, including the branch libraries.

The "photo" was of an ice sculpture. It was done by a woman resident of Timmins, Ontario for a carnival. You can see why she won.

The grandson of Mary Manna, retiree of the library, was among those killed in a recent auto accident in Patchogue. As yet, we do not have any details on the funeral/burial arrangements for Mary's grandson.
