**PARKING ON OCTOBER 22:**

Charles Simpson advised sending this to our attention. (It was sent to Building Managers.)

In order to facilitate the Wang Center opening celebration, the first floor of the Administration Garage and the first two rows in the Administration Overflow Lot will be reserved for special event parking. The Administration Garage will only accept monthly card holders. Visitors will be directed to park in other areas (see website to download flyers).

We ask people to consider other parking or transportation arrangements, such as car pooling, the use of other SBU parking areas such as faculty/staff lots (with your hangtag permit) or the park and ride lots at South and North P.

We apologize for any inconvenience this may cause. For questions or concerns call 632-AUTO. For further information check our website at: [www.parking.stonybrook.edu](http://www.parking.stonybrook.edu)

**NEW HORIZONS COURSES:**

These courses are given in Westbury and Commack. You can register until December 2002 with 2 weeks notice before a course begins. There is a limit of one course per person. You can list two courses in case the first one is full! The courses are inexpensive as they are funded through LILRC - it depends on the number of days the course meets.

Just 5 staff from the our library are entitled to attend. **ONLY SIGN UP FOR A COURSE IF YOU INTEND TO SHOW UP.** Canceling a course within 10 days can cost up to \$100.

To register and check what courses are offered come to the Directors Office. A blue file folder is located in the metal tray near C. FILSTRUP IN. (in Maryanne's work area) The brochure is also on-line at: [www.nhli.com](http://www.nhli.com).
