Fall Photos

Our [photo gallery](#) features glimpses at the coming Village townhouse project, professors interesting children in chemistry, battles with "zombies" and athletic heroes past and present. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to proffice@oswego.edu.

Village brings new look to campus housing

A new residential option, to open in fall 2010, continues to take shape on the south side of Glimmerglass Lagoon. [Read more >](#)

Student chosen to accompany Olympic flame

Junior Meagan Big Snake will represent the Laker women's ice hockey team, her college, her culture, her country and the Olympic spirit when she accompanies the world's most famous flame across Canada this winter. [Read more >](#)

Auler's new album spans 'American Century'

"American Century," the new album by pianist Robert Auler of the music faculty, fuses styles by showing the impact of American jazz and vernacular in works for solo classical piano. [Read more >](#)

Support grows for engaging students in summer research

A new donor-funded initiative expands campus support for students working with faculty on scholarly and creative projects over the summer. [Read more >](#)

People in Action

In this issue, read about the continuing adventures of Project CLIMB, a student-faculty conference presentation, and faculty grants, awards and publications. [Read more >](#)

Calendar Highlights
