

Impact Statements
Revision: MM in Music Education - Option B
May, 12, 2008

Alan, thank you for the opportunity to review this proposed change to the M.M. degree program in Music Education—Option B. This proposal will have no impact on the courses and programs of the School of Arts and Sciences

Best wishes to you in securing approval for these revisions!

- Galen

I see no adverse impact on General Education from the proposed changes in the M.M. Degree in Music Education.

Caroline Downing
Director of General Education

Library Impact Statement
Masters in Music Education
Proposed Program Changes

The College Libraries do not expect any significant impact as result of the proposed program changes in the Masters in Music Education.

J. Rebecca Thompson
Director of Libraries
May 12, 2008

Hi Glenn...

Fortunately, I only complete impact statements for undergrad programs.
Have a great day... Susan

Alan,

Thanks for the opportunity to review the proposed changes in the Master of Music degree. They clearly meet New York State requirements for the professional certificate and will have no impact on the School of Education and Professional Studies. The department, however, will need to complete the reregistration form before it can be sent to SUNY and SED.

Bill
