Hi Everyone -

The Library Services Committee is planning a Salon Event for the end of May. We are interested in having you share your talent among friends. If you play an instrument, take pictures, write, create crafts, sing, do performance art, act or anything else we would like you to participate in this Gallery/Salon Event.

We are suggesting three dates: Thurs. May 21, or Tuesday May 26 or Thurs. May 28. The event will take place in the University Cafe from 3:30-5:30 - cash bar avail - cheeses, crackers and fruit - and whatever else we may find or steal.

Please contact Victor Santiago or Susan Kaufman if you are interested in participating and are willing to commit to presenting on the above date.

Truly yours,

The Library Services Committee
