

Campus Update

Published by the Office of Public Affairs
for the SUNY Oswego Community

July 21, 2010

July photos

This issue's [photo gallery](#) reveals the lively, welcoming world of SUNY Oswego in the summer, from science immersion and arts programs for high school students to an energy institute for high school teachers, from summer orientation for new students to basketball and other sports camps. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to proffice@oswego.edu.

New center named for insurance industry leader

The School of Business has a new endowed educational center — the Gordon A. Lenz Center for Finance, Insurance and Risk Management. [Read more >](#)

Audio minor could have sound implications

A new interdisciplinary minor in audio design and production aims to meet student and industry demand while broadening opportunities for participants. [Read more >](#)

Interim provost brings global vision, passion

The interim provost and vice president for academic affairs sees the college competing vigorously for top students and embracing an emerging global vision she has helped guide.
