Subject Middle State Self Study

Dear Colleagues,

As you may know, the university is currently ongoing its decennial reaccreditation by the Middle States Associate, Commission on Higher Education. A steering committee of faculty and staff from across campus has worked for the past two years on a focused topic self study to fulfill the requirements for accreditation.

The self study can be accessed by cutting and pasting the link below onto your browser. I encourage you to read the study and provide the steering committee with your comments, please also peruse this website for more information about how this self study was conducted and when town forums to discuss the draft will be held.
