Subject Seawolves MarketPlace Computer Accessories survey

To: Faculty and Staff

As many of you may already be aware, Computer Corner will be closing at the end of June. Seawolves MarketPlace has been asked to assume stocking and sales of computer accessories including: cables, CDs, floppies, zip disks, hubs, ink cartridges, toners and possibly educational software.

Seawolves MarketPlace would like your input in order to identify the products that should be part of our computer products inventory. It is our goal to meet the needs of the students, faculty and staff. We have found the best way to serve our customers is the ask what products and services they want to be provided on campus. Thank you for your assistance in helping us to take a fresh look at this opportunity.
