2. Stony Brook University Time Capsule

In the past 50 years, Stony Brook has given much to our local community. We have also made many important and lasting gifts to the global community gifts of musical and literary compositions, scientific and medical discoveries, scholarly breakthroughs, and intellectual innovations. We are asking the University community to recommend one of the many recent contributions we have made for inclusion in our Time Capsule, to be opened 50 years from now. Submit a description for your recommendation to: The Time Capsule Commemorating 50 Years of Advancing Research, Creativity, and Knowledge. Deadline: Friday, June 29, 2007. Descriptions should be 50 words or fewer and can be submitted by e-mail to yearofcontest@stonybrook.edu. A committee will be reviewing and select qualified entries by the end of July. Entrants will be notified shortly thereafter in preparation for the Time Capsule Installation Ceremony in the fall.

8. Volunteers needed Children ages 6-17: MRI Study of Flow in the Brain and Spine

Volunteers are needed to participate in an MRI study to investigate new methods for imaging flow patterns of blood and cerebrospinal fluid in the brain and spine. The goal of the study is to understand flow patterns in healthy individuals in order to compare these results with the abnormal flow patterns seen in individuals with diseases such as hydrocephalus and spinal cysts.

Because these diseases are common in children, we are seeking healthy children with no previous history of head or spine trauma, neurological disease, or contraindication for an MRI, as a control group for our study. The study will involve 1 hour of your time and be completely non-invasive. No injections will be given. Subjects will be given a twenty-five dollar (\$25) gift certificate to Border's Bookstore for participating.

If interested, please contact Veronica Geronimo, 4-2409, or vgeronim@notes.cc.sunysb.edu, or Mark Wagshul, PhD mwagshul@notes.cc.sunysb.edu.
