## **03. Workshops/Courses/Training**

### **1. EAP Lunchtime Learning: Labyrinth Walking**

Take a break from the stress of modern life by going back a few thousand years. People are discovering anew that walking the concentric circles of ancient labyrinths can create inner peace and healing. EAP invites you to join Labyrinth Builder, Ed O'Connell, for a refreshing introduction to the Red Dragon Labyrinth as a walking meditation practice.

Guest Speaker, Ed O'Connell

May 20, 2009 Stony Brook's Red Dragon Labyrinth, 12:00pm-1:00pm

To Register Call EAP at 632-6085 or email us at [eap@notes.cc.sunysb.edu](mailto:eap@notes.cc.sunysb.edu)

To join our EAP Lunchtime Learning Listserv please sign up at:

<http://lists.sunysb.edu/index.cgi?A0=EAPTALK>

Select "Join or Leave EAPTALK". Insert your name and email address and then select update options

Submitted by: Allison Hinke/Pres

## **2. Take time this summer to learn more about Lotus Notes.**

Click here for class descriptions and to register.

[http://it.cc.stonybrook.edu/get\\_help/lotus\\_notes\\_classroom\\_training](http://it.cc.stonybrook.edu/get_help/lotus_notes_classroom_training)

Submitted by: Kim Rant/DoIT

## **3. Diversity starts with you!**

Diversity 101

June 11, 2009 9:00am-3:00pm

This full day program will provide participants with necessary information, resources, and guidance about Federal and State regulations; University policies around issues of discrimination; equal employment opportunity complaint resolution and diversity. It will clarify and communicate the roles, rights and responsibilities of supervisors, managers, employees and the Office of Diversity and Affirmative Action in these matters. The program will review appropriate methods for making referrals, the scope of confidentiality and the policy against retaliation. Through the use of case studies and other interactive exercises, this program will allow participants to explore and discuss dimensions of diversity and inclusion, approaches to managing diversity, the impact of stereotyping and bias in the workplace. Each participant will develop a personal action plan.

Target Audience: All employees, supervisors, managers.

Click below to register now!

## **05. Conferences/Seminars/Lectures**

### **1. Today: Making Sense From Chaos at 4:30 PM**

Join us for Sense from Chaos: Controlling the Dynamic Networks of the Brain with Larry Abbott at the 13th Annual Swartz Foundation Mind/Brain Lecture. Can a state of chaos actually be a good thing for the human mind? Professor Larry Abbott, co-director of the Center for Theoretical Neuroscience at Columbia University, will discuss how chaos may be essential for a healthy brain and demonstrate what goes wrong when activity isn't chaotic enough. Please join us Monday, May 11, 2009 at 4:30 pm in the Staller Center for the Arts. Free and open to the public. Click our Web page to watch our YouTube video!

<http://www.stonybrook.edu/sb/mind/>

Submitted by: Shelley Catalano/UAff

### **2. Neuroscience Seminar Series**

On Thursday, May 14, at Noon in Room 038 of the Life Sciences Building, the Department of Neurobiology & Behavior will be hosting a seminar. Dr. Pat Levitt, Director and Chair of the Zilkha Neurogenetic Institute, Keck School of Medicine of USC will be speaking on Translational Studies on MET Receptor Tyrosine Kinase Signaling in Autism Spectrum Disorders.

Faculty Host: Lorne Mendell, 632-8632

Coffee at 11:45 am

Submitted by: Diane Godden/CAS

### **3. Melville Library Author Series: Passport To Illness: Voyages In And Out Of Medicine featuring Dr. Shetal Shah**

Wednesday, May 13 at 4 p.m.; Javits Room (2nd floor of the Melville Library)

In fourteen distinct narratives, Dr. Shetal Shah outlines in his book Passport to Illness: Voyages In and Out of Medicine not just the medical cases that make one a physician, but the personal stories, anecdotes, and relationships that each doctor brings to the bedside. From inner-city New York to the streets of Cuba to rural towns in Kenya, he guides you through his unique world,

where the summit of Mount Kilimanjaro and the bedside of a fragile, premature infant in New York are not far apart.

Free and Open to All.

Sponsored by the University Libraries.

<http://www.stonybrook.edu/libspecial/events.shtml>

Submitted by: Kristen Nyitray/Lib

#### **4. Cooking from China's Fujian Province: Lecture by food historian Dr. Jacqueline Newman and free Fujianese food tasting.**

Wednesday, May 13 from 12:30 - 2 p.m. at the Charles B. Wang Center, Room 301

Fujian, a province in southeastern China, boasts a distinct culinary tradition that enjoys a thousand year old recorded history but is barely known in the Western world. Dr. Newman's latest book includes fascinating cultural and historical notes and features a collection of 200 easy to follow, authentic recipes that provide the perfect introduction to this unique cuisine. Through her insightful writing and well-researched recipes, Ms. Newman is casting much-deserved light on the wonderful Fujian cooking and culture. Her scholarly approach and keen eye for detail make this book a joy to read and a real keeper for any library and kitchen. -- Martin Yan, cookbook author and chef of TV cookery programs

Free and Open to All. Sponsored by the University Libraries.

## **08. Culture & Entertainment**

### **1. Deadly Medicine, Creating The Master Race Exhibition, Now Open At The Charles B. Wang Center**

From 1933 to 1945, Nazi Germany carried out a campaign to "cleanse" German society of individuals viewed as biological threats to the nation's "health." Enlisting the help of physicians and medically trained geneticists, psychiatrists, and anthropologists, the Nazis developed racial health policies that began with the mass sterilization of genetically diseased persons and ended with the near annihilation of European Jewry.

This self-guided exhibition is free and open to the public now through June 12th, 2009

Most Mondays Fridays, 12:00 PM 4:00 PM

Exhibition Reception, Monday, April 27th, 5:00 PM 7:00 PM, Light refreshments

Visit the website for more details.

<http://www.stonybrook.edu/deadlymedicine>

Submitted by: Jan Potter/UAff

### **2. Senior Art Majors Exhibit New Work at the Staller Center**

The University Art Gallery in the Staller Center presents its annual exhibition of works by senior art majors through Wednesday, May 20. Gallery hours are Tuesday through Friday, noon to 4pm, and Saturday, 7 to 9pm. Admission is free. For further information, please call the University Art Gallery at 632-7240.

Submitted by: Diane Ruenes/UHMC

## **2. Treatment Study for Behavioral Control Problems for Boys and Girls**

Children 6 to 12 Years Old Stony Brook University's Division of Child and Adolescent Psychiatry is conducting a study supported by the National Institute of Health of treatment steps for children, ages 6-12, who have attention deficit hyperactivity disorder and other behavioral control problems such as aggressiveness, explosiveness and low frustration tolerance. Eligible children receive free evaluation and study treatment, including medication and help with behavioral support strategies.

For further information, please call Ashley Conway at (631) 632-8317.

Submitted by: Diane Ruenes/UHMC

## **3. Do You Have Heart Failure?**

Adults diagnosed with heart failure are invited to participate in a symptom monitoring study. The study is testing an educational method to help patients monitor their heart failure symptoms. If qualified to participate, questionnaires about your medical history, symptoms, self-care, and quality of life will be completed. Participants are followed for one year by telephone (15-20 minute interviews 1, 3, 6, and 12 months after enrollment). All participants will be given a weight scale to keep and a booklet on heart failure self-care. You will be paid \$20 at both 6 and 12 months if you complete the telephone interviews. For further information or to schedule an appointment, please call:

Dr. Corrine Jurgens - 631-444-3236 or Karen Kelleher - 631-444-1299

Submitted by: Diane Ruenes/UHMC

## **4. Does Your Child Have ADHD And Severe Problems With Aggression?**

Researchers at the Department of Psychiatry and Behavioral Science at SUNY Stony Brook are conducting a study of children with ADHD and severe problems with aggressive behavior. Children will receive a thorough diagnostic evaluation, and treatment with one or two

medications. Parents will receive nine weeks of parent training. There is no charge to families for these services. To learn more about the project, please call Dr. Jayne Schneider at 631-632-3091.

Submitted by: Diane Ruenes/UHMC

### **5. Efficacy and Safety of VICRIVIROC in HIV-Infected Treatment Naive Subjects**

Must be 18 years or older

Must have a CD4 cell count of plus/minus 100/cells/mm

HIV RNA must be plus/minus 2000 copies/mL at screening

Anti-retroviral therapy of less than 4 weeks

Females must not be pregnant

Call Sandra Brown at 631-444-1659

Submitted by: Diane Ruenes/UHMC

### **6. Seeking Healthy Individuals Ages 18-40 to participate in a research study on the Absorption of Levothyroxine**

(women on birth control pills are excluded)to participate in a research study on the Absorption of Levothyroxine (thyroid hormone)

when co-administered with other medications

Compensation of \$100 per session for your participation

(up to \$400 total)

Please contact The General Clinical Research Center at (631) 444-6900 weekdays between 9:00am and 4:00pm or by email to: [izamfirescu@notes.cc.sunysb.edu](mailto:izamfirescu@notes.cc.sunysb.edu)

Submitted by: Diane Ruenes/UHMC

### **7. Bipolar Maintenance Study**

We are enrolling students with Bipolar I Disorder in a clinical research study. This study will assess the safety and effectiveness of an investigational medication versus placebo when added to conventional bipolar medications. The investigational study medication is currently approved by the FDA for use in adults with bipolar I disorder. Participants in this study may be able to continue on their current bipolar medications.

Participation requires attending regular study visits, at Stony Brook University's Child Psychiatry Outpatient Department, over a period of approximately one year

Study participants must be:

10 -17 years old.

Diagnosed with bipolar I disorder.

Currently on a stable regimen of bipolar medication(s), but still experiencing symptoms.

Study Participants May Receive, at No Cost:

Study specific medical care including comprehensive psychiatric evaluations.

Investigational study medication

Compensation for time and travel

All participants' information will remain confidential.  
For information, contact  
Gregory Carlson at 631-632-8828.

Submitted by: Gregory Carlson/UHMC

## **8. Are you a worrier? Paid research opportunity**

Current GAD participant advertisement:

Are you a worrier? Are you always anxious? If you are between 18-65 years old and not currently taking antidepressants, you may be eligible to participate in a research study on anxiety and brain functioning. This study involves 1 lab visit (about 3 hours) for a clinical interview and an electroencephalogram (EEG) recording to look at your brain activity while performing a number of tasks and 1 phone interview 6 months later that lasts about 1 hour. You will be paid up to \$110 for completing the study. If interested, contact Doreen at: (631) 632-7843 or at Caplab.Depression@gmail.com Department of Psychology, Stony Brook University

Submitted by: Anna Weinberg/GST

---

## **11. Miscellaneous**

### **1. University PreSchool Registration Now Open!**

The University PreSchool is now registering new children. For the past thirty years, the PreSchool has been serving children from 20 months through five years of age. We are located on the first floor of the Social Behavioral Sciences building. Call 632-7868 for further information.

Submitted by: Jan Kavazanjian/CAS

### **2. The Summer Camp at Stony Brook University**

Stony Brook Athletics provides quality overnight or full day sport programs directed by NCAA Division I SB Head Coaches. Each camper is given the opportunity to receive instruction from the top college players in the game today. The Seawolves sports camps are tailored to campers of all skill levels and abilities so that children have the opportunity to progress at their own rate. We offer Baseball, Softball, Boys Lacrosse, Millon Lacrosse, Boys Soccer, Boys Basketball, Football, Girls Basketball, Girls Lacrosse, Girls Soccer, Strength and Conditioning, Tennis, and Volleyball Camp. Please call for our brochures or visit our website.

Open Monday thru Friday 10:30AM till 3PM

Submitted by: Shahidah Walcott/UHMC

### **5. Proctors Needed for DSS Students**

Is there a proctor in the house? Disability Support Services (DSS) sure hopes so, since there is a growing need for volunteer proctors to lend their services for four-hour blocks of time at the Student Activities Center and ECC Building during the week of May 13-May 19.

Every semester, DSS facilitates roughly 300 final exams for students with disabilities.

This spring finals run from Wednesday, May 13 to Tuesday, May 19. Each test session is four hours long. DSS seeks staff for the following time periods: Wednesday to Tuesday: 7:45 am to 11:45 am; 10:45 am to 2:45 pm; 1:45 pm to 5:45 pm; and 4:45 pm to 8:45 pm.

If you are interested in volunteering please e-mail Donna Molloy, Assistant Director of DSS, at donna.molloy@.stonybrook.edu by May 13.
