Graduates finding connections after Commencement in May

More than 1,000 students will make their next steps in life after Oswego's 150th spring Commencement on May 14, and a number have secured footholds toward successful, even prestigious, careers. [Read more >](#)

This issue's [photo gallery](#) blooms like spring with fresh collegiate growth: Questing for scholarly answers, reaching for sustainable energy solutions, aspiring to honors, building for the future and hurtling toward graduation . . . and beyond. If you would like to submit photos of timely activities for future issues, e-mail pictures with a brief caption to proffice@oswego.edu.

NSF provides \$600K for science scholarships

The National Science Foundation has awarded SUNY Oswego nearly \$600,000 over five years to provide scholarships to recruit and retain talented students who otherwise could not afford to pursue degrees in science and technology fields. [Read more >](#)

Burrell, Bandla receive new service awards

New campus awards for excellence in service were bestowed April 15 at the Scholarly and Creative Activity Awards Ceremony.
