## April Photos

In this issue's [photo gallery](#), a nonstop kaleidoscope of activities dances and drums, sings and celebrates, discusses and demonstrates in the midst of an important once-a-decade visit from a team representing the regional college accrediting organization. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to [proffice@oswego.edu](mailto:proffice@oswego.edu).

## Coughlin to receive honorary degree in May

Joseph Coughlin, a 1982 graduate of SUNY Oswego who is internationally known for his work in gerontology and public policy, will receive an honorary doctor of science degree from the State University of New York on May 12 at Oswego's 151st Commencement. [Read more >](#)

## Video surveys student life through decades

The latest chapter of the college's sesquicentennial documentary video project looks at students' co-curricular activities from the 19th century until today. [Watch video >](#)

## Quest preview: Students share scholarly, creative projects

At [Quest](#) next Wednesday, scores of students and a number of faculty members will share results of their research and creative projects. Explore a few of those topics right now: [Atlantic wind power](#), [emotion-measuring research](#), [Cuban percussion](#) and West African women and the trans-Atlantic slave trade.

## Multipurpose rebirth for Romney to upgrade athletic opportunities

By next spring, renovations and equipment estimated at \$2 million will breathe new athletic life into Golden Romney Field House, until six years ago home to Laker ice hockey and Commencement. [Read more >](#)

## People in Action
