Summer Photos

In this issue's [photo gallery](#), the campus throws open its doors for high school-age competitors from around the world at an environmentally themed competition, computer lab managers from across the United States gather and Tyler Hall renovation plans start coming into focus. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to proffice@oswego.edu.

Clemo named Oswego's academic vice president

President Deborah F. Stanley announced the appointment of Lorrie Clemo to the position of provost and vice president for academic affairs. [Read more >](#)

Shaffer to helm Artswego's collaborative journey

John Shaffer said his first encounter with the performing arts came when he was "literally dragged" to theatre tryouts by a college roommate. Earlier this month, he accepted the role of a lifetime as the new director of the college's Artswego program. [Read more >](#)

College communications win honors

SUNY Oswego's online annual report, online alumni magazine and video promoting "Grease" have won awards in the latest APEX Awards for Publication Excellence competition recognizing work by professional communicators across North America. [Read more >](#)

New trauma studies certificate will help range of caregivers

The college designed its new trauma studies certificate program to serve a wide range of health care workers who encounter people emotionally shocked by war, disaster, abuse or other stressors. [Read more >](#)

People in Action

In this issue, read about publications, invited lectures abroad and a National Science Foundation-funded project by Oswego faculty in computer science, English and sociology, plus a visiting scholar from Turkey. [Read more >](#)
