Check Our UUP Statewide Web site for Negotiations Updates

Your Union Contract Team is meeting regularly with the state to work on your next UUP contract.

Ultimately you will be given the opportunity to review any proposed contract and vote on approving it or sending it back to the contract team to renegotiate it (**ONLY if you are a UUP member, fee payers do not have the right to vote on the contract**).

When your team, along with the Statewide President Phil Smith feel they have a tentative contract proposal, they will call in the UUP statewide contract committee which

includes your chapter president Artie Shertzer to review and agree that the tentative proposal should go to

all the UUP members for their review and vote to approve or not. Stay informed, go to the UUP Negotiations Web site

link <http://www.uupinfo.org/negotiations/index.php> to see what is currently happening.

You can also contact

UUP Chief Negotiator Jamie Dangler by e-mail at contract@uupmail.org if you have any other questions.

RSVP **No later than three days prior to an event** for lunch orders.
