What UUP Does

UUP represents SUNY faculty, librarians, and professionals by negotiating your contract at the bargaining table and representing you in resolving grievances.

UUP has a legislative program and active lobbying campaign in Albany on budgetary and other issues of concern to us as a state university.

What kinds of things are negotiated?

- Improvement to salary (including minimum salaries);
- The UUP Benefit Trust fund which provides the dental, vision and a life insurance policy;
- Health benefit options (including prescription drugs);
- Terms and conditions of employment not necessarily working conditions (such as office space);
- Retirement options;
- Through the statewide Labor/Management Committees - amount to be funded and those funds that go towards programs in professional growth and development (i.e. leaves, conferences);
- Leave time/accruals and holidays
- UUP also represents you in resolving grievances.
- Acts on your behalf on issues and concerns about our status as state employees.
How to join UUP?

- To be eligible to join UUP, one must be an employee of the State University of New York, NYSTI, and belong to the Professional Services Negotiation Unit (PSNU, also called the 08 Bargaining Unit).

- 1% of your gross annual salary gets deducted from Full Timers making the minimum salary. Any one who is below the minimum salary or classified as part-time have .9% deducted. Dues are deducted from your paycheck in one of two ways. As a member or as an “AGENCY FEE PAYER”.

- Complete, sign and return the UUP “MEMBERSHIP APPLICATION.” This enrolls you as a member. Enrollment gives you the right to have a voice in your union. Only members can vote on the Collective Bargaining Agreement. You can check your memberships status by looking at your pay stub: it will say “UUP Member” or “Agency Fee Payer”.

- Non-members pay an agency fee and are covered by all the protections and benefits of the contract and benefit from UUP’s efforts around the budget. So you get something from paying the 1% fee – but not the right to vote on contract and leadership, participate on committees or be eligible for UUP or any affiliate benefits upon retirement.

- Joining UUP adds to our strength in the legislature and at the bargaining tables so joining gets people a stronger union in addition to their internal rights – and it does not cost any extra!

Call the UUP Chapter office for your membership application at 2-6570.

Where does it come from?
- Your first written performance program should be provided to you within 45 days of your initial date of employment. Your supervisor is responsible to write the performance program with opportunity for you to respond.

Why do I need it?
- The performance program is a result of discussion between you and your supervisor, and outlines your duties, responsibilities and objectives for the upcoming year.
- It is an official record of your work and will be placed in your personnel file.
- Annual evaluations are based on your performance program and can be helpful when seeking a promotion or salary increase.
