queer studies materials	12
specialized journals	1
all of the above	12
no shortcomings	11
journals from his area of research	1
online journals should be larger	2
subcriptions to online journals	2
more journals	1
Extremely Defiecient books in biology.. needs more acces to journals on	3
books and videos	5
more journals	1
books	3
some books	3
contemporary interdisciplinary journals	1
textbooks that written by professors here are not in the library	4
more books	3
none	11
current standards and specifications	12
extensive access to new literature	12
collection of books could be improved	3
marine sciences-south campus away from main campus, journals on main mp	12
more journals and books	1
easy access to older journals	12
satisfied	11
contemporary books	3
journals	1
recent monographs on specialized research	12
older archive material	12
journals	1
old journals are not easily accessable	12
study space	12
nothing	11
computer printers, higher speed duplex	12
older articals	12
journals and books (specific)new and old books mixed in	1
have a autamic libary loan with out typing the name of the book.	12
physical journals	1
don't know yet	98
access to well know larger research databases on buisnesses and industr	12
speaical education	12
access to more journals	1
more books and space and brances each dept should have eit's own libra	3
short on journals	1
books	3
jurnal connollection	1
service tell people what they offer	12
none	11
cant think of nay	11

journals	1
journals should be in south campus	1
need more jurnals and books	1
none	
no answer	
They could use a few more journals	1
more video	1
most updated journal papers and up to date textbooks	
Do not subscribe to several important book series in my field	5
holding journals is bad	12
need more different books and journals	3
some of the journals in the enviornmental sciences	1
don't know	98
online and cd rom reference for journals in my field	2
books	3
more and maintain e-journal	2
none	11
Journals	1
none	11
some journals	1
No education journals books etc...	1
nothing	11
journals on his field are not online	2
periodicals	6
no lackings	11
more journals	1
PROFESSIONAL JOURNAls and periodicals from my realm	1
cert journals in engeneering	1
none	11
none	11
Journals	1
journals	1
more on books	3
don't know nothing lacking for him	11
books in my field	3
increase the collection of journals (physical) not online ones	1
books that are not readily available	3
more online subscription	6
books and online journals	3
make journals in the branch library more accessable	1
electronic journals	2
on-line journals expired-need to keep journals updated	2
everything more journals and books	1
limited access to all the journals	12
on line journals	2
some of the conference proceedings	12
subscription to more online journals	2
dont know	98
don't know of any	11
problem with periodicals. selective with periodicals	6

services good	11
more access to journal	1
huge body of material on readex microprint cannot be accessed anymore	12
a few journals are not accesible (not all the time)	12
books,	3
journals	1
books	3
sufficient funding to buy new books for his field,too sparse	3
databases maintain in lab	12
much information on China	12
physics library should take the journal "nature" should be browsed thru	12
Reasonalbe humaities collections	12
not enough copies of popular journals	1
Asian Language	12
do not have enough on line journals	2
book monographs	12
not enough money in purchasing recent books	3
some of the online journals	2
not enough athletic information	12
not enough biology jounals	1
satisfies his needs	11
pretty good	11
missing periodicals online and physcically	6
specialized books	3
new books, more upsated ones	3
latest books in computer engineering	3
more online journals	2
books before 1800	3
need more e-journal	2
stars is too limited of a research tool	7
journals	1
optimization problem, limited budget, prices charged by publishers	12
can not think of anything	98
recent books and journals	3
old classic books	3
jounals both e and hard cover	2
older journals (19th century) they are in storage, she wants them out	1
academic journals	1
book holdings havent been kept up	3
some journals -arumentation advocacy southern communications	1
is lacking materials back round material in the field of ethinc study	12
nothing	11
adequate	11
old journals	1
useful to have all standard print journals electronic..prefers that	2

no opion	
insufficient journals	1
physics -book aquisitons	3
not enough	12
more subscriptions to microbio journals	1
electronic collection is unorganized,faculty dont know whats there	7
dont know	98
none	11
cant think about anything	11
many current jounral	1
ceratin books and journals	3
none	11
book and journals	3
older journals and books	1
more scientfic jounral (marine)	1
more book and Journals	3
want more new books	3
need for jounal in eco	1
current cataglogy in art	12
histry of science need more older text book	3
legal on line info in a full form	6
new editions and changed edition in her dept.	3
technical books like proceeding	3
book collection not extensive	3
more journals online or physical/more resources	2
specific journal	1
nothing	11
more journal access	1
access to some journals electronically	2
some journals	1
more staff	12
old books they dont have	3
more electronic journals	2
some journal subscriptions	1
journals and some books	1
business databases, financial databases from Warton, they dont have	6
need a broader range of ejournals	2
e journals	2
subscription	12
can't think of any	
monographs	12
need more types of biological jounals	1
journals	1
all sorts of matrerial related to visual history	12
number of reference books not up to date	3
easier access to periodical	6
journals and book,	1
some journals	1

periodicals	6
decline in journals on paper, dvds	5
resources easily accessible from anywhere	8
need more language journal	1
no	11
biology books (nontextbook monographs and high level books)poor	3
BOBO	12
none	11
periodicals and standard text books	6
periodicals electronic and physical	6
need more film crtersilm database	12
large number of book the predate the library that's lacking	3
need old publication	3
books in Pns and Prs	3
need more hard copy collections of literature for English	3
need more speicalized e-journals	1
literuary jounals in other language	1
online databases that allows many unsers expand access to database	8
none	11
large reference hisry topics	12
for now nothing	11
computer science department need more material	12
NONE WESTERN	12
journals	1
topics dealing with buisness	12
many engineering journals	1
additional journals on line	1
physical collection more needed	12
modern books,journals, decent photocopy machines	3
journals/more periodicals	1
Need more journals and books	1
nothing	11
journals	1
needs a larger collection/more comprehensive	3
journals that no access online and hard copy	8
recent theory from latin american countries	12
staff people	12
jounal-scinece	1
books-(history scholarly)	3
good astronomy library, dimantled library	12
more on line matterial	8
not adequate for in depth research in history topics	12
books	3
certain things in areas that they dont have	12
more photo copiers	12
nothing	11
older holding documents	12

more books in electrical engineering	3
need more up to date books	3
not enough e-journals	2
none	11
more journals restored that were cut back	1
all of the above	12
NONE	11
older journals	1
paper journals	1
insufficient journals in education	1
every material in the video art, new media art, web art, slides	5
lacking older materials	12
books	3
dont have enough books in our area	3
recents books	3
access to complete articles of journals needed online-very sparse	2
journals, online is preferred. more up to date books	2
engenieering books	3
older journals that are not on the web	1
collection of bools is weak	3
more journal collection, some collection of DVD's and Video collection	5
math books/research materials	3
monograms	12
need the basic biolo for humanity, the reason he left some question	12
need more e-journals, go back to the begining of the time this was made	2
not enough books in economic demography	3
a few journals not provided	1
More science videos--Nassar productions	5
lacking marine science books	3
oikos	12
N/A	
We need more e-journals.	2
More current fiction	3
Art Journals and books	1

Q40B	Q40B_2
updating of new books	3
books but to a lesser extent	3
stars system should be updated html based or web based	7
more journals	1
math books	3
more online access	8
informal publications	14
computer resources, Chemistry computers in library.	14
space in main library not congenial, lack silence, loud machines!	14
forge journals	1
more recordings on music	9
journals	1
nothing else b/c rarely use library	13

recent books	3
or DVD	5
book in his major is very little	3
maps and charts	10
older materials...areas like soil science	14
esp. comp scie library books are very out dated	3
conference preceedings	14
continue to have hard copies of journals	1
browsing/old books not put into current journals or periodicals	14

happy	12
internet	8
early american imprints, volumes of it, not accessible	14
journals	1
films	5
journals	1
access to number of electronic library	8
no subscription to nature	14
in physical sciences some books are moved to another location annoying	14
more subscriptions to more journals	1
books/resources more	3
not enough bio books/ electronic journals	3
proceedings of conferences	14
some books	3
some books and journals	3
access to more electronic journals	2
no older books are available	3
book supply is not great	3
ther is no rare book collection	3

cardigrphic holdings maps	14
updated NEW books in microbioloigy	3
better access to more electronic materials	8
no for my work	12
no	12
need more foreign journals	1
complete edition of major philosopher basic research tool in her area	14
no	12
hours too limited	14
older journals	1
attractive accomadtaion	14
very good	12
long tome to access certain web pages	14
thoroughness in journal in engineering	1

foreign language texts, journals
subscriptions to journals
need more DVD for performance art, jorunal AI should get too.

basic texts

electronic versions of older documents

journal collection also
NO

organization
active server pages that would link department with things that relate

law related materials are weak
Very new publucation

more users at one time

Middle eastern and Islamic studies
FOREIGN LANGUAGE AND JOURNALS

any works by embroyology Driesch
putting materials on reserve for students, interlibrary loan too slow
interlibrary loan books from certain colleges

lack of online access

periodicals and newspapers from latin america

certain new books

early medieval history sources
math science library only allows me to take out books for 1 month

19th century

books journals
NO

more new books
missing books

books are not always available
multimedia resources, cd, dvd, artist video
scholarly monographs

the lumber of electranic Journals
that it

lacking professional modern books-very sparse

more structural and coordinated
engineering

certain journals aren't available

blanck, is b/c it is so bad and lack of good info, and learn work aroun

some journals are missing
none
n/a
Easy accessability to all university libraries.
More up to date with current compositions of music and recordings.

Q41A	Q41A_2
some more people to help	1
longer hours lacking	2
longer hours for students	2
longer hours	2
services lacking	12
none	10
more information regarding classes teaching the students to use library	12
longer hours outside the semester	2
