II. Program for Mentoring Library Faculty Without Continuing Appointment

- A. Not less than two years prior to the tenure/promotion hearing (typically at the end of the ~~second~~-first year of employment), the candidate's supervisor should meet with the candidate to discuss names of librarians to be considered as mentors. After this, the Director, in consultation with the junior faculty member and A&P, appoints a small special committee of three senior (tenured) faculty to work with and advise the junior member regarding his or her progress toward achieving tenure and promotion.
- B. The committee may include no more than one faculty member from the junior member's department.
- C. The committee conducts an informal but thorough and confidential review of the junior member's progress toward tenure/promotion.
- D. The junior member is required to present a biographic file to the committee. This file may be based upon a file prepared for promotion, if that is available. It should be, insofar as possible, in conformity with the guidelines for candidacy files stated in the "Library Personnel Policy Procedures," although letters of reference are not required, ~~except that a letter from the junior member's immediate supervisor is required.~~
- E. The committee, after reviewing the file and seeking additional information from the junior member or others, as it deems necessary, conducts an interview with the junior member, the purpose of which is to discuss, in detail, the junior member's readiness for tenure/promotion review with respect to the Library's six criteria for continuing appointment and promotion.
- F. A representative of the committee, within one week after the interview, gives to the junior member and the Director a confidential written summary of its observations, including an assessment of progress under each of the six criteria for tenure and promotion.

Comment [JCA1]: I was under the impression that it also should not contain a member of administration. (If so, what happens if a committee member becomes promoted to an administrative position while on the committee?)

Comment [m2]: The change from "department" to "progress toward tenure promotion" corrects a typing error.

- G. The junior member may request additional meetings with the committee to ask questions or seek guidance.
- H. The committee will continue to be available to the junior member to advise on preparation of the official tenure/promotion file.
- I. In cases where serious deficiencies are identified, the committee may be asked by the Director to review the junior member's progress again at the end of a stated period of time.
- J. The junior member, if she/he so chooses, may request that the director appoint a new committee for subsequent reviews or consultations.
- K. A tenured member of the Library faculty seeking promotion may also, at his or her option, request that the Director appoint a mentoring committee to assist with the candidacy.
- L. The findings of these special committees will be held in confidence and may not be made a part of the official tenure/promotion file, but they may be made available, on a confidential basis, to the A&P Committee for use in the reappointment process.

III. Workshops on Promotion and Continuing Appointment

- A. The office of the Director of Libraries arranges an annual workshop on the promotion and continuing appointment each October.
- B. The workshop is conducted by a committee appointed by the Director. The committee includes recent and/or current members of the Committee on Library Policy and the Personnel Officer as an information resource person.
