After You've Gone

Moderato

Piano

Voice

Now won't you listen honey while I say...
Don't you remember how you used to say...

How could you tell me that you're going away...
You'd always love me in the same old way...

Don't say that we must part...
And now it's very strange...

Don't break your baby's heart...
That you should ever change...

You know I've loved you for these many years...
Perhaps some other sweetie's won your heart...

Loved you night and day...
Temped you away...

Oh honey baby can't you see my tears...
But let me warn you thou we're miles apart...

Listen while I say...
You'll regret some day...

Chorus

After you've gone
and left me crying
After you've gone
There's no denying,

you'll feel blue,
You'll feel sad,
You'll miss the bestest pal you've ever had,

There'll come a time,
now don't forget it,
There'll come a time,
when you'll regret it,

Oh! Babe,
Think what you're doing
you know my love for you will drive me to ruin,

After you've gone
After you've gone away,
away, away.
