March Photos

In this issue's [photo gallery](#), the dance of spring has yet to step us into the right season climatologically, but when delegations visit -- such as recent ones from China and India -- the reception is always sunny and warm. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to proffice@oswego.edu.

NASA lab taps three more Oswego students

Following the memorable contrail of 2012 alumnus Earl Bellinger, three more SUNY Oswego students will rocket into internships this summer at NASA's Jet Propulsion Laboratory at the California Institute of Technology. [Read more >](#)

Device to probe archeological samples

Analyzing sharp-force trauma, studying ceramic artifacts disinterred after centuries, disclosing the trace elements in soils -- SUNY Oswego forensic anthropologist Kathleen Blake can think of many uses for portable X-ray equipment purchased with a National Park Service grant. [Read more >](#)

Quest talk probes social media role in uprisings

Ashraf Attia, professor in the School of Business, will use his recent research and experiences in Egypt to present Quest's keynote talk April 17 about the Arab Spring. [Read more >](#)

'Transformative' renovation boosts athletic promise

Golden Romney Field House has reopened to limited spring practices as work wraps up on a \$2 million project to breathe new athletic life into the college's former ice hockey home. [Read more >](#)

People in Action

In this issue, read about members of the college community traveling to Brazil and China to pursue their scholarly and creative interests as well as a student art exhibition and faculty publications in history, philosophy and media. [Read more >](#)

Original compositions mark Quest session

Mix two original musical compositions, an orchestra, a big band, a rapper, additional vocalists, a campus grant, a crowd-sourced Kickstarter campaign and an ongoing learning project. The result is an ambitious Quest presentation by senior music major Tony Iannone. [Read more >](#)

Lebanon class partnership springs COIL forward

Students in Susan Coultrap-McQuin's "Women, the Workplace and the Law" course engaged online with a class in Lebanon for five weeks last semester, taking a step down a new path to intercultural learning and global connections. [Read more >](#)

Oswego County schools vie in local GENIUS

SUNY Oswego has launched an Oswego County version of the college's global GENIUS Olympiad competition for high school student projects aimed at highlighting or solving environmental issues. [Read more >](#)

Spotlight

Meet secretary Barb Berry, a Lakers hockey fan who also appreciates teamwork in the English and creative writing office — in this issue's [Spotlight](#).
