May Photos

In this issue's [photo gallery](#), it's prime time for a guest of television fame, it's primate time at the spring BFA exhibition and it's primo time for Oswego weather as teams make runs in the postseason. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to proffice@oswego.edu.

New minor expands options for many majors

An art student is the first to sign on to the college's new technology minor, which features flexible tracks, new high-end labs and equipment, and industry-current offerings. [Read more >](#)

Advisement honors go to Glidden, Granelli

An assistant professor of political science and a visiting assistant professor of communication studies will receive the SUNY Oswego President's Award for Excellence in Academic Advisement. [Read more >](#)

May graduates start major-related careers using diverse strategies

More than 1,650 students are eligible to take part in Oswego's 152nd Commencement on May 18, including a marketing and graphic design major who will go to work for Google, a history major who is headed for an internship at the National Archives, and a biology major whose job at a hospital will be a steppingstone to medical school. [Read more >](#)

People in Action

In this issue, read about award-winning student research at Rice Creek Field Station and publications in philosophy and poetry. [Read more >](#)
