OH WHAT A
Powerfull feeling
wanting you
needing you
TANGLED
up together
lost in the moment
two marriages, two couples
two families:
four adults six children
WEB
enmeshed together
why can't we be together
it feels so right how can it be wrong
WE WEAVER
relationships complications
you and me she and he you and she
she and you he and she me and you
WHEN
will we know
how will we know
can we regain the love we
FIRST
had when you promised
when I promised
to love forever
to stay together
to build a family
to become
WE
You and me me and you
PRACTICE
makes perfect
endless love
come back
TO
Me...and
start again
regain tomorrow
rebuild forever
(how could you
DECEIVE
me?)
