Betrayal
Sinister, creeping on little mouse feet
Insinuating, indiscreet
The calculated word dropped
Into the right ear
Poison, Hamlet was right!

Eden
Sensuously, she beckons
Her hair shimmers as garments, envelops
The voice a soft siren's call
Eve, before the fall

Heathcliff
The tempest raging
The precipice, the cliff
Temptation, redemption
The nightmare
The Id
Salvation, passion
My soul's desire!
