Four Autumn Haiku

Mournfully dancing,
A golden leaf pirouettes
To the forest floor.

A Kaleidoscope
Of yellow, red, and orange leaves
Swirls round our heads.

A blizzard of leaves,
Wildly whipped by the wind,
Romps riotously.

The late autumn sun
Caresses my face softly
In final farewell.

Delicious kisses
While held in your arms so tight----
Sumptuously sweet.

Kitty stretches up
Reaching into the drawer
To pull out a sock.
