EDUCATIONAL OBJECTIVES

Pediatric Grand Rounds consist of a one-hour lecture by an individual speaker who focuses on obtaining and using information about their own population of patients and the larger population from which their patients are drawn; locating, appraising, and assimilating evidence from scientific studies related to their patients’ health problems; and facilitating the learning of students and other health care professionals. Each individual lecture will have specific objectives.

CERTIFICATION STATEMENT

The School of Medicine, State University of New York at Stony Brook, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The School of Medicine, State University of New York at Stony Brook designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*™.
