The Game of Life

Get on the bus and roll the dice.
   Sorry!
School isn’t quite that nice.
You must study, it’s not just luck.
Play your cards right, who knows?
   You might still suck.
   Chutes.
   Ladders.
   Climb or slide?
Only a teacher can decide.
Books or looks?
There’s some good trivia.
The right choice may give you A E I
O U must learn to pick the right locker
Or get beat up by the school’s rock
   ‘em sock ‘em robot.
We know now not to get in the way
Of those who are really here to play.
Cause is we do we get caught in the mouse.
   Trapped inside a desk.
   Only looking to pass the test.
