

Kate and Petrucio

By: John Reheuser

A parody of "Love and Marriage"

Kate and Petrucio, Kate and Petrucio,
That is how our little play did go, play did go
And if you liked our presentation,
Please tell all of your relations!
Kate and Petrucio, Kate and Petrucio,
We hope you enjoyed the show, enjoyed the show,
And you said to one another
They made such fantastic lovers!
Try, try, try, to understand them,
You never wi – ill
They have gotten it together
It's such a thrill –

To see –

Kate and Petrucio, Kate and Petrucio.
They have really made a go, made a go,
This final message we are sending,
They have made a happy ending!
