

"I close my eyes..."

By: Anonymous

I close my eyes
as I feel the softest touch
upon my cheek.
I hold my breath
with sweet anticipation.
Waiting. Hoping.
My heart cries out
as again
the same warmth
descends upon me.
My eyes fill with tears
and my body trembles
as yet another is placed upon my skin.
What warmth is so intoxicating
as this?
There is no other.
Finally, with my heart beating wildly
within my breast
my mind swimming
the last...
comes upon my mouth.
The most tender
graceful
gift
is pressed
upon my lips.

A kiss.
