

MY CHEATIN' HEART

By: John Reheuser

My cheatin' heart
Has made me weep
tried so hard,
All night to sleep.
Sleep wouldn't come,
I tried in vain,
My cheatin' heart,
Has brought me pain.
The tears did come,
How they did flow,
I am so glum,
I miss you so.
I walk these streets,
All night in shame,
My cheatin' heart,
Must take the blame.
My cheatin' heart
Has made me pine,
For that sweet love
That once was mine
Forgive me, Dear,
For what I've done,
This cheatin' heart
Wants to come home.
