To a beautiful night
By Katie Mahlum

To a beautiful night
To a wonderful day
Why can’t life be like this
“Everyday”?  
Such peace
Such silence
More love
More Happiness
Why
Is the question
Why is the word

It was just one night
By Katie Mahlum

It was just one night
When the wind hustled
And the birds could talk
There conversations were about us
What was it you ask?
I can not speak for them for I am not a bird
But just a mere old cat crossing the road
