

I'm Back
By John H. Reheuser

(TUNE: You win Again)

The news is out,
For everyone to know,
That I've run around,
That I've wronged you so,
My selfish fling,
Was all in vain,
And now I'm back,
In town again.

Why can't this heart,
Of mine be true?
I don't deserve
The likes of you.
Your heart is true,
Like the bright North Star,
While I just wander,
From bar to bar.
