SB Guardian
Registration and Profile Building Tutorial
To begin: Go to www.getrave.com and enter SUNY Stony Brook

Enter SUNY Stony Brook here

Enter your organization's name:

Type a few characters of your desired site's name, and select it from the dropdown list.

Site not found? Click here

Then click here (it may automatically direct you)

Continue
Welcome to the Stony Brook University Single Sign-On Service

Please log into the Single Sign-On Service below by entering your NetID and NetID password. You only need to log in once with your web browser to access any of the participating services that utilize Single Sign-On.

Please visit the SOLAR System if you need to know what your NetID is and to change your NetID password.

For security reasons, please Log Out or Exit your web browser when you are done!

Enter your SBU NetID and Password.

NetID: _______________________
jsmith

Password:  *******

For help identifying your NetID visit http://it.cc.stonybrook.edu/accounts/netid
After reading the Terms and Conditions check this box.

After checking the box, click Submit.
You will be brought to your basic profile page. If you are signed up for SB Alert, your general contact information will be automatically ported into Guardian. Click Confirm Phone to confirm the contact number currently entered in the system.
You will receive a text message to the phone in the system with a confirmation code. Once received, enter this number here and click Continue. If you do not receive the text, click Resend Confirmation Code. If you do not wish to use the phone identified click Delete Pending Number.
After entering the Confirmation Code and clicking Continue you will be directed to this page and will be sent a follow up text message confirming your registration. You will then receive a third text message with the phone numbers to be programed into your device to set a Guardian Timer and for Immediate Assistance (Panic Mode). Be sure to enter these numbers into your phone’s contacts and create a speed dial button for the panic mode.
Now that you’ve registered your mobile device you can create your Guardian Profile. Click Here to continue.
Your 4-Digit pin allows you access to set your timer. Enter and confirm your pin here.
Basic information like your height, weight and general description will help emergency responders identify you in the event of an emergency. Enter this information here.
Special Notes is for information designed to assist emergency responders in helping you. Information like allergies or other medical considerations, current medications, and orders of protection can be entered here.

I have a peanut allergy.
I have an order of protection against John Smith.
Read through the Guardian Terms of Use and check this box.

Read through your carrier’s Location Terms of Use and check this box.
Once you have verified that you’ve read and agree to the terms and use click Save.
Your Guardian Profile is now ready to use. But there is more useful information that you can provide for emergency responders. Scroll down for more options to be added to your profile.
Click on Edit in any of the below boxes to add/edit information on your campus/home address, vehicles you use on campus, your emergency contacts and your class schedule. Be sure to revisit the Guardian site to keep your information up to date.
Thank you for completing your SB Guardian Profile.
