Instructions

- This Application Form is used for most Overseas Academic Programs sponsored by any State University of New York Campus.
- Check with the administering campus for any special instructions needed to complete this application (also see sections below).
- Complete this application form. If you are interested in more than one program, rank them in order of your preference. If the programs are administered by different SUNY schools, send a set of copies of all forms of each administering campus. All choices will be considered with equal prospect of acceptance. If you are accepted into several programs, you will be able to choose the one in which you wish to participate.
- Take your application to the Study Abroad Office at your home campus for signature.
- Keep a photocopy of your completed application (OAP 1) for your records.
- Submit the application and all supporting documents to the administering campus as each portion is completed.
- Send an official academic transcript from your current school and any other colleges where you have completed coursework to the Administering SUNY Campus. Federal laws prohibit the campus from obtaining this document: you must request it yourself.
- Note: It is recommended that you send in your materials well before the deadline. Check with the administering campus for the deadline. Late applications are sometimes considered on a space-available basis. If the deadline has passed, contact the administering campus for instructions.
