

March 12, 2014

March Photos

In this issue's [photo gallery](#), whether spring is ever to be or not to be, "Hamlet" and a spinoff production heat up the stage, students bask in the career experiences of alumni visitors and the college warmly celebrates 25 years of Display to Archives. If you would like to submit photos of timely activities for future issues, email pictures with a brief caption to proffice@oswego.edu.

Noteworthy alumni to speak at Commencement

Accomplished alumni Peter Bocko, Mark Baum and Linda Clement each will address a Commencement audience as SUNY Oswego moves to three May graduation ceremonies for the first time. [Read more >](#)

College sets goal to send more students abroad

SUNY Oswego has signed on to the newly launched Generation Study Abroad program, agreeing to involve one in five undergraduates in international education by 2019. [Read more >](#)

GENIUS competitions thriving, invite entries

SUNY Oswego's GENIUS Olympiad environmental competition for high school students continues to grow and develop. The second annual [local event](#) is set for Earth Day, and the fourth annual [international competition](#), set for June, adds a new category in music composition and performance. Applications are due soon for both.

Grant boosts faculty member's plan for Oswego Renaissance

Oswego Renaissance, a homeowner-by-homeowner, block-by-block plan for revitalizing housing stock in Oswego city neighborhoods, has received a \$150,000 grant from the Richard S. Shineman Foundation. [Read more >](#)

People in Action

In this issue, read about faculty-student participation in a funded project involving nanoscale-thin materials for use in energy transmission plus faculty and staff presenting, exhibiting and publishing locally, nationally and internationally. [Read more >](#)
