Ev'ry thing seemed to change the
Ev'ry thing seemed worth while the

day that I met you

Now you seem to

day that we first met

All the world just

act so strange, I wonder why you do

seemed to smile, You robbed it of regret

Why I love you I can’t explain, But is it all in vain,
Ev’ry where I go I’ll confess, There’s always happiness,

CHORUS

Am I to blame for loving you It’s not my fault if I do My poor heart

beats with joy When I’m with you Am I to blame if skies are

blue And even birds in the trees sing love sick melodies The whole day

Am I To Blame - 3
thru For ev'ry one seems to know That I love you so

And no one's to blame but love So tell me

why I always sigh When ever you're by my side If I keep

loving you Am I to blame Am I to

Am I To Blame - 3
